## NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 AUGUST 2004

#### 1 Accounting policies

#### 1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002).

The company is currently dependent on the bank and the directors. The directors consider that in preparing the financial statements they have taken into account all information that could reasonably be expected to be available. On this basis, they consider that it is appropriate to prepare the financial statements on a going concern basis. This assumes the continued support of the bank and the directors. The financial statements do not include any adjustments that would result if the support was not continued.

#### 1.2 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

#### 1.3 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

| Improvements to property         | 25% per annum on reducing balance |
|----------------------------------|-----------------------------------|
| Fixtures, fittings and equipment | 25% per annum on reducing balance |
| Motor vehicles                   | 25% per annum on reducing balance |

#### 1.4 Deferred taxation

Deferred taxation is provided at appropriate rates on all timing differences using the liability method only to the extent that, in the opinion of the directors, there is a reasonable probability that a liability or asset will crystallise in the foreseeable future.
