NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2013

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention modified to include the revaluation of freehold land and buildings and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

1.2 Turnover

Turnover represents rents receivable to the extent that there is a right to consideration and is recorded at the value of the consideration due

1.3 Tangible fixed assets and depreciation

Tangible fixed assets include investment properties valued by the directors on an existing use open market value basis. No depreciation is provided.

Although this accounting policy is in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), it is a departure from the general requirement of the Companies Act 2006 for all tangible assets to be depreciated. In the opinion of the directors compliance with the standard is necessary for the financial statements to give a true and fair view. Depreciation or amortisation is only one of many factors reflected in the annual valuation and the amount of this which might otherwise have been charged cannot be separately identified or quantified.

1.4 Deferred taxation

Deferred taxation is not recognised on revaluation gains and losses, unless at the balance sheet date, the company has entered into a binding agreement to sell the revalued assets and has revalued the assets to the market value.
