Strategic Report

Year ended 31 March 2014

The directors present the strategic report of EMI Music Publishing Finance (UK) Limited (the "Company") and its subsidiary undertakings (together the "Group") for the year ended 31 March 2014, detailing the main factors impacting upon the business during the year and a review of progress.

Principal activities and business review

EMI Music Publishing Finance (UK) Limited (the "Company") was incorporated on 22 October 2007. The Company is a wholly owned subsidiary of BW Publishing Ltd and is part of the DH Publishing, L.P. group. DH Publishing, L.P. is the ultimate parent undertaking.

The principal activity of the Company is that of a finance company. There has not been any change to the principal activity of the Company during the year ended 31 March 2014 or subsequently. The Directors do not anticipate any change to the principal activity of the Company during the next year.

The principal activity of the Group continued to be that of music publishing. There has not been any change to the principal activity of the Group during the year ended 31 March 2014 or subsequently. The Directors do not anticipate any change to the principal activity of the Group during the next year.

	Group			1		
	2014	2013	Change	2014	2013	Change
	£000	£000	%	€000	£000	%
Profit/(loss) before tax	50,027	(81,333)	161.51	(17,382)	(52,714)	67.03
Profit/(loss) after tax	45,867	(74,419)	161.63	(17,382)	(52,714)	67.03
Shareholders' deficit	(216,344)	(262,108)	17.46	(337,941)	(320,559)	5.42

As stated in the consolidated profit and loss account on page 9 the Group made a profit before tax of £50,027,000 in the year to 31 March 2014 compared with the previous year's loss before tax of £81,333,000. The change in profit before tax is mainly due to the significant write back of provisions against intercompany balances and an exceptional significant one-off payment relating to the finalisation of a subsidiaries pension plan liability in prior year, alongside a significant gain on disposal of an asset within the group in the current year.

Exceptional items in the year include the sale of EMI Music Publishing Consortium Ltd, previously held 100% by the company. A gain on disposal of £29,200,000 was recognised in regard to this transaction.

In the consolidated balance sheet shown on page 10, the net liabilities of the Group have decreased by 17 per cent mainly due to increased net intercompany liabilities.

Principal risks and uncertainties

The principal risks and uncertainties facing the Group concern the value of the worldwide market for recorded music which contracted 2% in 2013 and is forecasted to grow 1% in 2014 according to data from the IFPI. Whilst forecasts into 2017 see 3-4% growth in the worldwide recorded music market, the growth is assumed to be driven by digital subscription services. Thus, we believe that new digital products and services will drive a return to overall industry growth, but there are no assurances of the timing or extent of any improvement. This lag in digital services growth offsetting mechanical decline may have a negative impact, as the Group generates a significant portion of its revenues from mechanical royalties, primarily from the sale of music in CD and other formats. We are dependent on identifying, signing and retaining talented songwriters whose new releases are well received and whose music will continue to generate revenues for years to come Competition for such talent is intense and our financial results would be adversely affected if we fail to identify, sign and retain songwriters. External bodies such as local third-party collection societies, have a significant influence on some of our revenues. Mechanical and Performance rates as well as distribution rules are usually set by performing rights societies through board approval and as such may result in the setting of rates at levels lower than we would wish and may therefore adversely affect our ability to increase profitability.

Strategic Report (continued)

Year ended 31 March 2014

Key performance indicators

Key performance indicators are designed to indicate how the Company and Group had performed on key ratios, and the Company and Group uses NPS margin and operating margin as the key performance indicators which are most appropriate.

There are no KPIs specifically relating to environmental and employee issues as the Company has no employees or separate facilities. It is not possible to obtain meaningful market share information for a company of this size, so we do not consider a KPI appropriate.

Signed on behalf of the directors

Approved by the directors on 23 12 2014

Directors' Report

Year ended 31 March 2014

The Directors present their annual report and audited consolidated financial statements for the year ended 31 March 2014 The comparatives are for the year ended 31 March 2013, and are unaudited.

Going concern

The directors of the DH Publishing, L P group have prepared consolidated group financial projections for a period of more than twelve months from the date of approval of these financial statements. After considering these financial projections, the directors have concluded that they have a reasonable expectation that the Company and Group has adequate resources to continue as a going concern for the foreseeable future and as a result have prepared these financial statements on a going concern basis

Additionally DH Publishing, L.P, has agreed to provide financial support to the Company and Group in order that it can continue to trade and meet its liabilities as they fall due

Future developments

Going forward the Company will continue to finance the operations of its subsidiary undertakings, whose principal activities continue to be that of music publishing, and whose principal focus is on generating revenue through identifying, signing and retaining talented songwriters

Financial risk management

The Company's and Group's operations expose it to certain financial risks, primarily comprised of credit, liquidity, cash flow and price risk

The Company and Group is part of the DH Publishing, L.P. group's administration agreement with Sony/ATV (the "Administrator") whereby the Administrator follows the agreed upon processes in conformity with generally accepted industry standards.

Cash flow risk

The Company and Group maintains large reserves of cash. The Company's and Group's cash is managed in accordance with the Administration agreement.

Liquidity risk

Credit checks performed on potential customers ensure the Company's and Group's current assets are sufficiently liquid to enable it to pay its bills and fund its current liabilities.

Price risk

The Company is a holding company so has a large portfolio of investments. In accordance with FRS 11 Impairment of Fixed Assets and Goodwill', the carrying values of the investments have been compared to their recoverable amounts, represented by their net realisable value, and impaired where appropriate.

Results and dividends

The Group profit for the financial year amounted to £45,867,000 (2013: £74,419,000 loss). The directors have not recommended a dividend (2013. £nil).

Directors

The directors who served the Company during the year and up to the date of signing this report are listed on page 1

Directors' Report (continued)

Year ended 31 March 2014

Qualifying third party indemnity provisions

The directors benefited from the qualifying third party indemnity provisions in place during the financial year and at the date of this report.

Disclosure of information to the auditor

The Directors who held office at the date of approval of this Directors' Report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's and the Group's auditors are unaware, and each Director has taken all steps that he or she ought to have taken as a Director in order to make himself or herself aware of any relevant audit information and to establish that the Company and the Group's auditors are aware of that information

Independent auditors

Pursuant to section 487 of the Companies Act 2006, the auditors will be deemed to be reappointed and PricewaterhouseCoopers LLP will therefore continue in office

Signed on behalf of the directors

Statement of Directors' Responsibilities

Year ended 31 March 2014

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the Group for that period In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- · make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Group will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and the Group and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibity for taking such steps as are reasonably open to them to safeguard the assets of the Company and the Group and to prevent and detect fraud and other irregularities.

Independent auditors' report to the members of EMI Music Publishing Finance (UK) Limited Report on the financial statements

Our opinion

In our opinion the financial statements, defined below:

- give a true and fair view of the state of the group's and of the company's affairs as at 31 March 2014 and of the group's profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

This opinion is to be read in the context of what we say in the remainder of this report.

What we have audited

The group financial statements and company financial statements (the "financial statements"), which are prepared by EMI Music Publishing Finance (UK) Limited, comprise:

- the consolidated and company balance sheets as at 31 March 2014;
- the consolidated profit and loss account and the consolidated statement of total recognised gains and losses for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other
 explanatory information.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

What an audit of financial statements involves

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)") An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the group's and the company's circumstances and have been consistently applied and adequately disclosed,
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Annual Report and Financial Statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- · we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- the company financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

Responsibilities for the financial statements and the audit

Our responsibilities and those of the directors

As explained more fully in the Statement of Directors' Responsibilities set out on page 6, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and ISAs (UK & Ireland) Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Other matter

Group financial statements - Comparatives

Total recognised gains and losses relating to the financial year	45,764	(75,894)

Notes to the Financial Statements

Year ended 31 March 2014

Accounting policies

Basis of preparation

These financial statements are prepared on a going concern basis, under the historical cost convention and in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom.

The accounting policies have been applied consistently, other than where new policies have been adopted.

Going concern

The Group has made a profit for the financial year of £45,867,000 (2013: loss of £74,419,000) and has net current assets of £203,292,000 (2013: £266,849,000 liabilities) at the reporting date.

At 31 March 2014, the Group had net liabilities and made a profit in the year. The financial statements are prepared on the going concern basis as the ultimate parent company, DH Publishing, L.P., has agreed to provide financial support to the Company and Group in order that it can continue to trade and meet its liabilities as they fall due. This support will continue whilst the Company remains a member of the DH Publishing, L.P. group, and for a period of at least one year from the date of signing the Company's financial statements

The Company and Group operates as part of the DH Publishing, L.P. and have provided a guarantee to the group's lender; as such the Company and Group are affected by the terms of the group's banking facilities. The continued availability of existing bank facilities requires the group to comply with the covenants set out in those bank facilities.

The Company and Group has also prepared its own financial projections for a period of more than twelve months from the date of approval of these financial statements.

After considering these financial projections, the directors have concluded that they have a reasonable expectation that the Company and Group have adequate resources to continue as a going concern for the foreseeable future and as a result have prepared these financial statements on a going concern basis.

Basis of consolidation

The consolidated financial statements include the financial statements of the Company and its subsidiary undertakings made up to 31 March 2014. The acquisition method of accounting has been adopted. Under this method, the results of subsidiary undertakings acquired or disposed of in the year are included in the consolidated profit and loss account from the date of acquisition or up to the date of disposal

An associate is an undertaking in which the Group has a long term interest, usually from 20% to 50% of the equity voting rights, and over which it exercises significant influence. A joint venture is an undertaking in which the Group has a long-term interest and over which it exercises joint control The Group's share of the profits less losses of associates and of joint ventures is included in the consolidated profit and loss account and its interest in their net assets, is included in investments in the consolidated balance sheet

Under Section 408 of the Companies Act 2006 the Company is exempt from the requirement to present its own profit and loss account.

Notes to the Financial Statements (continued)

Year ended 31 March 2014

1 Accounting policies (continued)

Foreign currencies

Transactions in foreign currencies are recorded using the rate of exchange ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated using the contracted rate or the rate of exchange ruling at the balance sheet date and the gains or losses on translation are included in the profit and loss account.

Cash flow statement and related party disclosures

At the balance sheet date the Company was a wholly owned subsidiary of DH Publishing, L.P. and is included in the consolidated financial statements of DH Publishing, L.P. group which can be requested from 190 Elgin Avenue, George Town, Grand Cayman, KY1-9005, Cayman Islands. Consequently the Company has taken exemption from preparing the cash flow statement under the terms of FRS 1 (revised 1996). The Company is also exempt under the terms of FRS 8 from disclosing related party transactions with entities that are part of the DH Publishing, L.P. group or investees of the DH Publishing, L.P. group.

Intangible fixed assets and amortisation

The cost of purchased rights in copyrights is capitalised. The costs are amortised on a straight line basis over their licence period or estimated useful lives up to a maximum of 20 years. Additions to intangibles and amortisation for the year are disclosed in note 10.

Amortisation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset.

Investments

Investments in subsidiary and associated undertakings are stated at cost less provision to reflect any impairment.

Tangible fixed assets and depreciation

Depreciation is provided to write off the cost less the estimated residual value of tangible fixed assets by equal instalments over their estimated useful economic lives as follows:

Office and machinery, furniture and fittings - 5 to 10 years Fixtures and fittings - 10 to 20 years Computer equipment software - 20% per annum

Impairment of fixed assets

The carrying amounts of the Company's assets are reviewed for impairment when events or changes in circumstances indicate that the carrying amount of the fixed asset may not be recoverable. If any such indication exists, the asset's recoverable amount is estimated.

An impairment loss is recognised whenever the carrying amount of an assets or its income-generating unit exceeds its recoverable amount. Impairment losses are recognised in the profit and loss account unless it arises on a previously revalued fixed asset. An impairment loss on a revalued fixed asset is recognised in the profit and loss account if it is caused by a clear consumption of economic benefits. Otherwise impairments are recognised in the statement of total recognised gains and losses until the carrying amount reaches the asset's depreciated historic cost.

Notes to the Financial Statements (continued)

Year ended 31 March 2014

1 Accounting policies (continued)

Impairment of fixed assets (continued)

Calculation of recoverable amount

The recoverable amount of fixed assets is the greater of their net realisable value and value in use. In assessing value in use, the expected future cash flows are discounted back to their present value using a pre-tax discount rate that reflects current market assessments of the rate of return expected on an equally risky investment. For an asset that does not generate largely independent income streams, the recoverable amount is determined for the income-generating unit to which the asset belongs.

Reversals of impairment

An impairment loss is reversed on intangible assets and goodwill only if subsequent external events reverse the effect of the original event which caused the recognition of the impairment or the loss arose on an intangible asset with a readily ascertainable market value and that market value has increased above the impaired carrying amount. For other fixed assets where the recoverable amount increases as a result of change in economic conditions or in the expected use of the asset then the resultant reversal of the impairment loss should be recognised in the current period

An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

Pension costs

A German subsidiary of the parent, EMI Music Publishing Germany GmbH, operates a pension scheme providing benefits based on final pensionable pay The pension scheme is unfunded.

The pension scheme deficit is recognised in full The movement in the scheme deficit is split between operating charges, finance items and, in the statement of total recognised gains and losses, actuarial gains and losses.

EMI Music Publishing Limited, a UK subsidiary undertaking of the parent is a member of a pension scheme but is unable to identify its share of the underlying assets and liabilities of the scheme on a consistent and reasonable basis and therefore, as required by FRS 17 'Retirement benefits', accounts for the scheme as if it were a defined contribution scheme As a result, the amount charged to the parent's profit and loss account represents the contributions payable to the scheme in respect of the accounting period. This is detailed further in note 16.

Taxation

The charge for taxation is based on the profit or loss for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19.

Turnover

The Group's turnover is wholly attributable to its principal activity and the directors do not believe that any part of the Group's worldwide market is significantly different from any other.

Turnover consists of income from copyrights and is recorded when reported to the Group by the relevant source. Turnover is stated after deducting all commissions and any sales related taxes levied on turnover.

All turnover arises from continuing activities

Notes to the Financial Statements (continued)

Year ended 31 March 2014

2 Turnover

The turnover is attributable to the one principal activity of the Group.

An analysis of turnover by geographical market is given below.

		Unaudited

Cost recharged to management company	(6,941)	(5,513)
Exceptional pension payment	•	47,500

The audit fee incurred by the Group represents an apportion of the overall DH Publishing, L.P group audit fee which has been allocated based on net profit share

In the year the company incurred reorganisation costs of £3,764,000 (2013: £7,474,000) relating to restructuring following the sale of the groups recorded music business on 29 June 2012. The reorganisation costs include office relocation and redundancy Additionally £6,941,000 (2013: £5,513,000) of these and other incremental costs were recharged to the company's management company during the year."

4 Directors' emoluments

The directors did not receive any emoluments in respect of their services to the Group (2013. £nil).

The directors were remunerated by a member of the US Group for their services to the Group as whole.

Tax on profit on ordinary activities (continued)

Def	erı	red	tax	asset	re	CO	gni	sed		
_		•	•		•					

The deferred tax included in the balance sheet is as follows:	2014 £000	Unaudited 2013 £000
Other timing differences	9,192	12,169
Provision for deferred tax	9,192	12,169
		£000
At 1 April 2013 Deferred tax charge in the consolidated profit and loss account		12,169 (2,977)
At 31 March 2014		9,192

Factors affecting future tax charge

In the 2012 Finance Act, the UK Government reduced the main rate of UK corporation tax from 24% to 23% with effect from 1 April 2013. This rate reduction was substantively enacted on 3 July 2012

In March 2013, the UK Budget announced a reduction in the UK corporation tax rate from 23% to 21%, effective from 1 April 2014, and also announced a reduction in the UK corporation tax rate from 21% to 20%, effective from 1 April 2015 The rate reductions to 21% and 20% were both substantively enacted on 2 July 2013.

Deferred tax

At the balance sheet date the Group had an unrecognised deferred tax asset in relation to unutilised tax losses of £68m (2013: £67m) and Pension and other timing differences of £29m (2013. £41m). Because there is as yet insufficient certainty over the levels and timing of suitable taxable profits for future periods, the directors have decided not to recognise any deferred taxation asset in respect of these timing differences.

In accordance with FRS 11 'Impairment of Fixed Assets and Goodwill', the carrying values of the investments have been compared to their recoverable amounts, represented by their net realisable value, and impaired where appropriate. The Directors do not consider value in use to be materially different to the net realisable value of the investment, and therefore use the investment's net recoverable value as its recoverable amount.

In the opinion of the Directors, the value of the investments is at least equal to their carrying value.

	141	511
		

The total amount recognised in the consolidated statement of total recognised gains and losses in respect of actuarial losses is £92,000 (2013 £1,475,000)

Notes to the Financial Statements (continued)

Year ended 31 March 2014

16 Pension schemes (continued)

Principal actuarial assumptions (expressed as weighted averages) at the year end were as follows:

		Unaudited
	2014	2013
	%	%
Discount rate	3.2	3.00
Future salary increases	3.0	3.00
Other material assumptions (e.g. future pension increases, inflation (RPI, CPI)	2.0	2 00

In valuing the liabilities of the pension fund at 31 March 2014, mortality assumptions have been made as indicated below. If life expectancy had been changed to assume that all members of the fund lived for one year longer, the value of the reported liabilities at 31 March 2014 would have increased by £323,410 before deferred tax.

The assumptions relating to longevity underlying the pension liabilities at the balance sheet date are based on standard actuarial mortality tables and include an allowance for future improvements in longevity. The assumptions are equivalent to expecting a 65-year old to live for a number of years as follows:

- Current pensioner aged 65: 83 9 years (male), 87.9 years (female)
- Future retiree upon reaching 65. 83.6 years (male), 88 7 years (female)

History of plans

The history of the plans for the current and prior years is as follows:

					=======================================

The Company expects to contribute £236,000 to its defined benefit plans in the next financial year.

Notes to the Financial Statements (continued)

Year ended 31 March 2014

16 Pension schemes (continued)

A subsidiary of the Group, EMI Music Publishing Limited, was a member of the EMI Group Pension Fund (UK Fund), a defined benefit pension scheme for EMI Group Limited and its subsidiaries in the UK.

Following the closure of the UK Fund to new entrants in 2005, EMI entered into a consultation process with the 209 current employees still contributing to the UK Fund, in February 2012. On 15 May 2012, an agreement was reached between EMI and the employee members of the pension scheme and the UK Fund was closed to future accrual. All members transferred into a new defined contributions scheme. The closure of the plan does not impact current pensioners, or affect the benefits already accrued by current employees who were still contributing to the scheme.

In August 2012, ownership of the UK Fund was transferred to Citigroup (the sale of Recorded Music business was conditional on Citigroup taking over the responsibility for EMI's UK defined benefits pension scheme). As a result of the change in ownership of the UK fund, a final payment was made by Citigroup during the year ended 31 March 2013 for £47,500,000 extinguishing all previous liabilities of the company in relation to the scheme which the Company reimbursed to Citigroup.
