STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- * select suitable accounting policies and then apply them consistently;
- * make judgements and estimates that are reasonable and prudent;
- * prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

REPORT OF THE AUDITORS TO THE MEMBERS OF

PARKSIDE PROPERTY INVESTMENTS LIMITED

I have audited the financial statements on pages 4 to 8.

Respective responsibilities of directors and auditors

As described on page 2, the company's directors are responsible for the preparation of financial statements. It is my responsibility to form an independent opinion, based on my audit, on those statements and to report my opinion to you.

Basis of opinion

I conducted my audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming my opinion I also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In my opinion the financial statements give a true and fair view of the state of the company's affairs as at 31st December 1995 and of its profit for the period then ended and have been properly prepared in accordance with the Companies Act 1985.

A Statement of Total Recognised Gains and Losses has not been provided as the company had no recognised gains or losses other than the profit for the period.

All of the company's operations are classified as continuing.

Notes on the Accounts for the year ended 31st December 1995

1. ACCOUNTING POLICIES

- (a) The Accounts are prepared in accordance with the historical cost convention, modified to include certain fixed assets at valuation.
- (b) Being small-sized as defined by section 247 of the Companies Act 1985, the company is exempted by FRS 1 from the requirement to include a cashflow statement in its financial statements.
- (c) Turnover

Turnover is the total amount of rents receivable.

(d) Investment Property

Investment property is stated at a value, which in the opinion of the directors, approximates to open market value at the balance sheet date.

In accordance with SSAP 19, no depreciation is provided. This departure from the requirements of the Companies Act 1985, for all fixed assets to be depreciated, is, in the opinion of the directors, necessary for the financial statements to give a true and fair view in accordance with applicable accounting standards. Note 2 gives details of how the financial statements would have been affected if the provisions of the Schedule 4 to the Act had been followed, investment property being depreciated over 50 years.

(e) Taxation

Surplus Advance Corporation Tax which is expected to be recovered against the tax liability of the following period is treated as a current asset.

Deferred taxation is provided under the liability method at the small companies rate of corporation tax ruling at the balance sheet date.

2. TANGIBLE FIXED ASSETS

	Freeehold Property
Valuation	
Beginning of Year	400,000
Surplus on Revaluation	40,000
Disposals	(200,000)
End of Year	240,000

If depreciation had been provided in this and previous periods in order to comply with Companies Act 1985, on the basis described in Note 1(d), profit after tax would have been reduced by £4,800 (1994 £5,550).

5. INVESTMENTS HELD AS FIXED ASSETS

The Company's investments held as fixed assets include:

A holding of 50% of the ordinary share capital of Alcove Constructions Limited, a company registered in England, which is dormant. At 31st March 1995 the company had net assets of £2 (1994 £2).

A holding of 20.6% of the ordinary share capital of Realclose Limited, a company registered in England. At 30th April 1995 the company had net assets of £133,605, and returned a profit of £6,968 for the year then ended. The investment is included at cost, and is considered short term, as it is intended that the company should be wound up as soon as possible.

A holding of 13.6% of the ordinary share capital of Startday Limited, a company registered in England. Further holdings are not significant.

6. BANK BORROWINGS

Yorkshire Bank plc has granted overdraft facilities to the company. Security includes fixed charges over the company's freehold investment properties, together with fixed and floating charges over the other assets of the company.
