Notes to the abbreviated accounts for the year ended 31 December 2005

1 Accounting policies

a) Basis of accounting

The financial statements are prepared on the historical cost basis of accounting.

b) Depreciation of tangible fixed assets

Depreciation is not charged on expenditure on assets not yet in use. Depreciation on other tangible fixed assets is charged so as to write off their full costs less estimated residual value over their expected useful lives at the following rates:

Fixtures, fittings & equipment 20% net book value

c) Stock

Stock is valued at the lower of cost and net realisable value.

The cost of stocks is determined on the first in, first out basis. Net realisable value is the price at which stock can be realised in the normal course of business.

d) Deferred taxation

Deferred tax is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.

e) Foreign currencies

Assets and liabilities denominated in foreign currencies are translated into sterling at the rates ruling at the year end. All other gains and losses on exchange are dealt with in the profit and loss account.
