DIRECTORS' REPORT

The directors present their annual report with the financial statements of the company for the year ended 31 May 1998.

PRINCIPAL ACTIVITIES

The principal activity of the company continues to be that of installation and servicing of central heating systems.

REVIEW OF THE BUSINESS

The net profit after providing for taxation amounted to £21,815.

The directors consider these results to be satisfactory and anticipate that the results for the ensuing year will be comparable with those for the year under review.

DIVIDENDS AND TRANSFERS TO RESERVES

No dividends were paid during the year and no recommendation is made as to dividends.

The combined Prior Year Adjustment and retained profit for the year of £39,609 has been transferred to reserves.

INTRODUCTION OF THE SINGLE EUROPEAN CURRENCY

The directors consider that the Euro will have no impact on the business.

DIRECTORS AND THEIR INTERESTS

The directors in office in the year and their beneficial interests in the company at the balance sheet date and the beginning of the year (or on appointment if later) were as follows:

		Number of	Number of Shares	
		1998	1997	
P Jones	Ordinary shares	33	33	
N Whittaker	Ordinary shares	33	33	
P Gomes	Ordinary shares	33	33	

DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company as at the end of the financial year and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- comply with applicable accounting standards subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

YEAR 2000 ISSUES

The directors have made an assessment of the Year 2000 problem.

The company has undertaken a review of all systems affected by the problem and will acquire replacement products as necessary.

DIRECTORS' REPORT

AUDITORS

The auditors, Cartwrights, will be proposed for re-appointment in accordance with section 385 of the Companies Act 1985.

By order of the board:

Approved by the board: Q. 12 98

AUDITORS' REPORT TO THE MEMBERS

We have audited the financial statements on pages 5 to 15 which have been prepared under the historical cost convention and on the basis of accounting policies set out on page 8.

RESPECTIVE RESPONSIBILITIES OF THE DIRECTORS AND AUDITORS

As described in the directors' report, the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

BASIS OF OPINION

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance as to whether the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

OPINION

In our opinion the financial statements give a true and fair view of the state of affairs of the company as at 31 May 1998 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 1998

1. STATEMENT OF ACCOUNTING POLICIES

The financial statements have been prepared under the historical cost convention.

Cash flow

The accounts do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirement to prepare such a statement under Financial Reporting Standard 1: "Cash flow statements".

Turnover

Turnover represents the total invoice value, excluding value added tax, of goods sold and services rendered during the year.

Depreciation of tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its useful life:

Plant and machinery	10% on cost
Motor vehicles	20% on cost
Equipment, fixtures and tools	15% on cost
Computer equipment	20% on cost
Leasehold improvements	2% on cost

Stocks and Work in progress

Stocks are stated at the lower of cost and net realisable value. Net realisable value is based on estimated selling price less further costs to completion and disposal.

Work in progress is valued at post balance sheet sales invoice value less contract profit element.

Deferred taxation

Deferred taxation is provided using the liability method on all timing differences to the extent that they are expected to reverse in the future without being replaced, calculated at the rate at which it is anticipated the timing differences will reverse.

Leasing and hire purchase commitments

Assets held under finance leases and hire purchase contracts are capitalised in the balance sheet and are depreciated over their estimated useful lives. The interest element of the rental obligations is charged to the profit and loss account over the period of the lease.

Pension costs

The company operates a money purchase (defined contribution) pension scheme. Contributions payable to this scheme are charged to the profit and loss account in the period to which they relate. These contributions are invested separately from the company's assets.

	17,132	16,089

The maximum amounts outstanding with regard to directors loans during the financial year were as per the amounts stated above. No amounts have been repaid after the balance sheet date.

During the year the company paid £32,500 to its pension scheme with regard to the rental of its business premises at Central House, Barnet. The sole beneficiaries of the scheme are the three directors of the company. All transactions with regard to rents paid are at a fair market value and are at arms length.

Adjusted retained profits at the beginning of the financial year	444,390	378,295

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 1998

19. PRIOR YEAR ADJUSTMENT

The prior year adjustment relates to the correction of an error in the accounting for a capital payment received from the pension fund in the two years to 31 May 1997.

When the pension fund purchased the premises at Central House, 24A St. Wilfrids Road, Barnet a substantial amount of refurbishment costs were incurred and it was decided that these would be paid for and owned by the pension fund. In error, the refurbishments were shown as being owned by the company with an associated loan being owed to the pension fund.

The prior year adjustment corrects this treatment and eliminates depreciation provided on the assets concerned and loan interest accrued with respect to the pension fund loan.

The effect of the adjustment is to increase profit after tax in the year ended 31 May 1996 by £9,560 and profit after tax in the year ended 31 May 1997 by £8,234.
