Sermatech Repair Services Limited (Registered Number 2032921)

Annual Report

28 December 1997

The directors submit their report and financial statements for the year ended 28 December 1997.

Principal activity and state of affairs

The principal activity of the company is the repair and re-profiling of turbine blades and airfoil performance management.

Results for the year

The company made a profit after tax of £1,781,000 during the year (1996: £992,000). The directors recommend the payment of dividends totalling £1,781,000 (1996: £992,000), and accordingly £nil will be transferred to reserves (1996: £nil).

The directors consider the results for the year to be satisfactory and are confident of future prospects.

Directors

R C Carriker
W R Blackham
B A Ottewell
M G D Wakeman
J B DeVries
Resigned 28 February 1998
Resigned 9 February 1999
Appointed 9 February 1999

Directors' interests

The names of the present directors are stated above.

None of the directors had any interest in the shares of the company during the year. Details of options over ordinary shares in the ultimate holding company, Teleflex Inc, held by the directors are as follows:

	At 29 December 1996			Number of Options
	or later date of appointment	Granted	Exercised	At 28 December 1997
M G D Wakeman	5,000	-		5,000

There are no other directors' interests requiring disclosure under the Companies Act 1985.

No significant contract or arrangement in relation to the company's business in which any director had a material interest subsisted at any time during the year.

Fixed assets

Detail of movements in fixed assets are shown in Note 8 to the financial statements.

Employees

It is the company's policy that there shall be no discrimination in respect of sex, colour, religion, race, nationality or ethnic origin, and that equal opportunities shall be given to all employees. The company supports the employment of disabled people whenever possible in recruitment, in the retention in the event of becoming disabled during employment, and by encouraging training and career development. A programme of consultation, communication and involvement encourages employees to use their knowledge and skills actively towards influencing the company's success. Employees receive information about the company's performance and development on a regular and systematic basis, via departmental meetings, organised group briefing, open forums and notice boards.

Year 2000

All computer systems, PC's and other electronic chip-based technology have been reviewed in our business. Appropriate action is being taken to ensure that existing and new systems will be Year 2000 compliant. The additional cost to the Company is not expected to be material.

Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditors

Our auditors, Price Waterhouse, merged with Coopers & Lybrand on 1 July 1998 with the new firm being known as PricewaterhouseCoopers. Accordingly, Price Waterhouse resigned as auditors and the directors appointed PricewaterhouseCoopers to fill the casual vacancy.

PricewaterhouseCoopers have expressed their willingness to be re-appointed as auditors in accordance with the provisions of the Companies Act 1985 and a resolution for their re-appointment will be proposed at the next Annual General Meeting.

By Order of the Board.

JR Duncan

Company Secretary

Auditors' Report to the Members of Sermatech Repair Services Limited

We have audited the financial statements on pages 4 to 17.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the Annual Report, including, as described on page 2, the financial statements. Our responsibilities, as independent auditors, are established primarily by statute, the Auditing Practices Board and our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions is not disclosed.

We read the other information contained in the Annual Report and consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements.

Basis of audit opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 28 December 1997 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

1 Accounting Policies

The financial statements are prepared under the historical cost convention in accordance with applicable accounting and financial reporting standards.

Foreign currencies

Balances due to overseas group undertakings are expressed at the sterling values attributed when each debt arose; when repaid these will be settled at the same sterling values. Other assets and liabilities of the company denominated in foreign currencies are translated at the rates of exchange ruling at the end of the year and resulting translation differences are dealt with through the profit and loss account.

Stocks

Stocks are stated at the lower of cost and net realisable value and cost where appropriate includes a proportion of production related overheads.

Hire purchase and finance leased assets

Assets held under finance lease agreements and hire purchase contracts are capitalised as fixed assets. Depreciation is provided over the shorter of the estimated useful life of the assets or the period of the agreement. The interest element of the charges implicit in the agreement is charged to the profit and loss account. Rentals under operating leases are charged to the profit and loss account as incurred.

Fixed assets

The cost of fixed assets is written off over their estimated useful lives by providing depreciation on a straight line basis.

The principal estimated useful lives are:

Short leasehold improvements

- over the unexpired term of the lease

Plant and machinery

- 3 to 10 years

Fixtures and fittings

- 8 to 10 years

Research and development costs

Research and development costs are written off to the profit and loss account as they are incurred.

Deferred taxation

Provision for deferred taxation is made, or recovery of taxation anticipated, in respect of all material timing differences other than those giving rise to tax benefits which with reasonable probability can be expected to be retained for the foreseeable future in consequence of recurring or continuing differences.

1 Accounting Policies ... (cont'd)

Pensions

The company operates a pension and life assurance scheme covering the majority of its employees which is financed by a separate trustee administered fund. The scheme is a defined contribution scheme and pension costs are charged to profit and loss account on the basis of contributions payable.

2 Segmental Analysis

Turnover, operating profit and capital employed are in respect of the company's principal activity, the repair and reprofiling of turbine blades and airfoil performance management.

Turnover is the invoiced value of goods sold and services provided, after deducting returns and excluding value added tax.

The geographical split of turnover is as follows:

	199 7	1996
	£'000	£.000
Europe	17,484	9,257
Asia and Australasia	2,718	950
