## NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2008

### 1 Accounting policies

#### 1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007).

The financial statements have been prepared on a going concern basis even though at the Balance Sheet date the company's liabilities exceeded its total assets.

The directors consider the going concern basis to be appropriate because in their opinion the company will continue to obtain sufficient funding from its bank and directors to enable it to pay its debts as they fall due.

If the company was unable to obtain sufficient funding to enable it to pay its debts as they fell due, it would be unable to continue trading and adjustments would have to be made to reduce the value of its assets to their realisable amount, to provide any further liabilities which might arise, and to reclassify fixed assets as current assets.

#### 1.2 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

#### 1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Fixtures, fittings & equipment                      10% and 20% Straight line
