Refrigeration Services (Northern) Limited

UNAUDITED NOTES TO THE ABBREVIATED ACCOUNTS

for the year ended 31 October 2010

1 ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

GOING CONCERN

The accounts have been prepared on a going concern basis. Having carried out a detailed review of the company's resources, the directors are confident that the company has sufficient cash flows to meet its liabilities as they fall due for at least one year from the date of approval of the accounts.

TURNOVER

The turnover shown in the profit and loss account represents amounts invoiced during the year, exclusive of Value Added Tax.

In respect of long-term contracts and contracts for on-going services, turnover represents the value of work done in the year, including estimates of amounts not invoiced. Turnover in respect of long-term contracts and contracts for on-going services is recognised by reference to the stage of completion.

FIXED ASSETS

All fixed assets are initially recorded at cost.

DEPRECIATION

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Freehold Property	-	20% reducing balance
Plant & Machinery	-	20% on cost
Fixtures & Fittings	-	15% reducing balance
Motor Vehicles	-	25% reducing balance
Computer equipment	-	33 1/3% on cost

STOCKS

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

WORK IN PROGRESS

Work in progress is valued on the basis of direct costs plus attributable overheads based on normal level of activity. Provision is made for any foreseeable losses where appropriate. No element of profit is included in the valuation of work in progress.

OPERATING LEASE AGREEMENTS

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profits on a straight line basis over the period of the lease.

Refrigeration Services (Northern) Limited

UNAUDITED NOTES TO THE ABBREVIATED ACCOUNTS

for the year ended 31 October 2010

1 ACCOUNTING POLICIES *(continued)*

PENSION COSTS

The company operates a defined contribution pension scheme for employees. The assets of the scheme are held separately from those of the company. The annual contributions payable are charged to the profit and loss account.

DEFERRED TAXATION

Provision is made at current rates for deferred tax in respect of all material timing differences. Deferred tax balances are not discounted.

Deferred tax assets are only recognised where they arise from timing differences where their recoverability in the short term is regarded as more likely than not.

FINANCIAL INSTRUMENTS

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.
