Structure, Governance and Management

Governing Document

The organisation is a charitable company limited by guarantee, having no share capital. It was incorporated on 5 December 1986 and registered as a charity on 6 October 1995. The charitable company was established under a Memorandum of Association, which established its objects and powers, and it is governed under its Articles of Association. In the event of the charitable company being wound up members are required to contribute an amount not exceeding £1.

It is exempt from using "Limited" under Section 60 of the Companies Act 2006.

Recruitment and Appointment of the Board of Management

Board members are all members of the choir and are elected to office by choir members.

Trustee Induction and Training

Trustees who are new to the Board are given an induction by an appropriate officer. Training needs are regularly assessed and training organised accordingly.

Risk management

The choir is subject to risk in a number of areas. These include competition in the busy Birmingham arts market place, competition for, and reduction in the size of, the pool from which members are drawn, the complete absence of financial support from professional arts bodies and general economic uncertainty. Latterly, reduced investment returns and cost pressures resulting from the current public expenditure environment increase the risk profile of the choir. The board reviews these and other areas of risk on a regular basis and takes appropriate action to mitigate them.

Organisational Structure

The Board reviews its strategy annually. Day to day management of the choir is delegated by the Board to officers, who are all members of the Board, who operate within the agreed strategy and report to the Board regularly.

Objects and Activities

The City of Birmingham Choir exists to provide a platform for education in and the promotion and performance of choral music. In shaping the charitable company's objectives for the year and planning its activities, the Trustees have considered the Charity Commission's guidance on public benefit.

Achievements and Performance

The choir promoted three concerts during the year. In November the choir was joined by the Birmingham Philharmonic Orchestra, one of the West Midlands leading amateur orchestras, in a performance of Elgar's Dream of Gerontius in Birmingham Town Hall. There was the traditional performance of Handel's Messiah with the CBSO in Symphony Hall, Birmingham, in December, and, in April, a performance of Bach's St. John Passion, with the Westminster Chamber Orchestra in Tewkesbury Abbey. The choir also performed in three concerts promoted by the Raymond Gubbay organisation. There were matinee and evening performances of Spectacular Classics, with the CBSO, and a Christmas Classic Carols concert, with the London Concert Orchestra, all in Symphony Hall in Birmingham. In May the choir joined the London Philharmonic Choir and the Philharmonia Orchestra in a performance of Carmina Burana in the Royal Festival Hall. This was a new performance venue for the majority of choir members.

The choir continued its training and development of members with a series of vocal coaching sessions for small groups, in their voice parts, concentrating particularly on vocal technique. We encourage new members to join us through "Welcome" rehearsals as well as support towards the cost of singing lessons for new members. Younger members can also benefit from a series of free singing lessons.

Financial Review

Net incoming resources for the year were £8,043. The choir promoted three of its own concerts during the year which, overall, resulted in a small deficit. Funds raised from the "Voices from" initiative and donations from generous charities and supporters of the choir continue to provide a significant level of income. The volume of ticket sales continues to be of concern and the Board continues to seek new opportunities for concert promotion and alternative performance venues as well as opportunities for additional income generation.

Principal Funding Sources

Sales of tickets for the choir's concerts are the primary source of funds.

Investment policy

The Board has considered the most appropriate policy for investing funds and has decided that an interest earning bank account meets its requirement for liquidity and income generation at the present time.

Reserves policy

The choir requires reserves to give it the facility to programme the full range of works in the repertoire, to provide adequate resources to allow for the cancellation of a concert through events outside its control, to provide adequate finance to support the concert planning cycle and to protect it, to some extent, from the uncertainties of the market place in which the choir operates. The Board's policy is to plan for a modest increase in reserves year on year, recognising that there will be occasions when funds will be drawn on to support work that will not cover costs from box office income. The current general reserve (£153,929) is considered to be adequate, but the Board continues to act to try to grow it on a year to year basis.

Reserves policy (continued)

The designated reserve represents funds set aside by the Board to support outreach activities, in particular, ways of encouraging young people to sing, and to develop the skills of members, all part of its continuing Voice Factory initiative. The Board reviews this fund on an annual basis to assess its appropriate level and usage. The restricted funds also contribute to this initiative and include a fund to support the choir's 100th anniversary in 2021

Directors' responsibilities

The directors (who are also trustees of City of Birmingham Choir for the purposes of charity law) are responsible for preparing the Annual Report and the Financial Statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently
- observe the methods and principles in the Charities SORP
- make judgements and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business
- state whether UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.

The directors are responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and the group and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's web site. Legislation in the United Kingdom governing the preparation and dissemination of the financial statements may differ from legislation in other jurisdictions.

Approved by the Board of Trustees and signed on its behalf on 19 February 2020.

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30 June 2019.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a "true and fair view" which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
