INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF CORNLODGE PROPERTIES LIMITED

We have audited the financial statements on pages 4 to 8. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the Company's shareholders, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the Company's shareholders those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's shareholders as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards are set out in the Statement of Directors' Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of affairs of the company as at 31 December 2005 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 December 2005

1. ACCOUNTING POLICIES**Basis of accounting**

The financial statements are prepared under the historical cost convention and in accordance with applicable accounting standards.

Cash flow statement

The Company is exempt from publishing a cash flow statement because it is ultimately a wholly owned subsidiary of Stessa Holdings Limited which publishes a consolidated cash flow statement.

Turnover

Turnover comprises rental income and gross sale proceeds of trading properties, excluding VAT. In the case of long term contracts, turnover represents the sales value of work done during the year, including estimates in respect of amounts not invoiced.

Long term contracts

Long term contracts are stated at cost plus attributable profit after providing for anticipated future losses and contingencies. Progress payments received are deducted from these amounts. Cost includes appropriate attributable overheads. Long-term contract work in progress is included in debtors as amounts recoverable on contracts.

Deferred taxation

The payment of taxation is deferred or accelerated because of timing differences in the treatment of certain items for taxation and accounting purposes. Full provision for deferred taxation is made under the liability method, without discounting, on all timing differences that have arisen, but not reversed by the balance sheet date, unless such provision is not permitted by FRS 19. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered.

Going concern

The financial statements have been prepared on the going concern basis due to the ongoing support being provided by the ultimate parent undertaking Stessa Holdings Limited.
