DIRECTORS' REPORT

The Directors submit their report and audited financial statements for the 53 weeks ended 30 April 2011, which were approved on behalf of the Board on 30 August 2011

Business review

At the close of business on 26 April 2008 the Company disposed of the trade and certain net assets of its bookstores to its immediate parent company, Waterstone's Booksellers Limited, for a consideration of £751m, realising a profit on disposal of £69.3m. Since this disposal, the Company's activities have been limited to certain transactions with fellow Group undertakings with no increase in activity expected in the foreseeable future.

On 24 February 2011 the Company changed its name to Waterstone's Overseas Limited.

The Company did not trade during the period and no profit or loss was recorded (2010: £nil). The Directors do not recommend that a dividend be declared for the period under review (2010: £nil).

After the period end, on 28 June 2011, the various Waterstone's businesses, including the Company, were sold by HMV Group plc for £530m on a debt and cash free basis to Waterstone's Holdings Limited, a subsidiary of A&NN Capital Fund Management Limited.

Principal risks and uncertainties

During the period under review, the Board of the ultimate parent undertaking, HMV Group plc, had a policy of continuous identification and review of key business risks and uncertainties. It oversaw the development of processes to ensure that these risks were managed appropriately and operational management were delegated with the tasks of implementing these processes and reporting to the Board on their outcomes. The Board considered that the Company was not subject to any significant risks and uncertainties due to the limited extent of its trading activities.

Directors

The names of the Directors who served throughout the period under review and up to and including the date of this Report and the changes of directorships since the year end date are shown on page 1.

Auditors

The Director who was a member of the Board at the time of approving the Directors' Report is listed on page 1. Having made enquiries of the Company's auditors, the Director confirms that:

- to the best of his knowledge and belief, there is no information relevant to the preparation of their report of which the Company's auditors are unaware, and
- he has taken all steps a director might reasonably be expected to have taken to be aware of relevant audit information and to establish that the Company's auditors are aware of that information.

A statement of the Directors' responsibility for the financial statements can be found on page 3, which is deemed to be incorporated by reference in (and shall be deemed to form part of) this report.

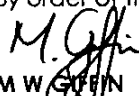

Elective resolutions to dispense with holdings annual general meetings and the laying of accounts before the Company in general meeting are currently in force.

Ernst & Young LLP will not seek reappointment as auditor of the Company. In accordance with s485 of the Companies Act 2006, a resolution is to be proposed at the annual general meeting for the appointment of auditors.

Going concern

The Directors have a reasonable expectation that the company will continue in existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements.

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the Directors, and the overall presentation of the financial statements. In addition, we read all the financial and non financial information in the report and accounts to identify material inconsistencies with the audited financial statements. NOTES TO THE FINANCIAL STATEMENTS

The financial statements of Waterstone's Overseas Limited for the 53 weeks ended 30 April 2011 were authorised for issue by the Board on 2nd September 2011 and the balance sheet was signed on the Board's behalf by A J Daunt. Waterstone's Overseas Limited is incorporated and domiciled in England and Wales. The financial statements have been prepared in accordance with IFRS and as applied in accordance with the provisions of the Companies Act 2006.

2 Accounting policies

Basis of preparation

These financial statements are made up to the Saturday on or immediately preceding 30 April each year. Consequently, the financial statements for the current period cover the 53 weeks ended 30 April 2011, whilst the comparative period covered the 52 weeks ended 24 April 2010. The financial statements are prepared in accordance with applicable accounting standards and specifically in accordance with the accounting policies set out below.

The Company did not trade in the period under review or in the prior period, therefore no income statement is presented. The financial statements are presented in Pounds Sterling and are rounded to the nearest thousand except where otherwise indicated. They are prepared on the historical cost basis.

The Company is exempt from preparing group financial statements as it is itself a subsidiary undertaking under Section 400 of the Companies Act 2006. These financial statements present information about the Company as an individual undertaking and not about its group.

The preparation of financial statements requires management to make estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenses during the year. The nature of estimation means that actual outcomes could differ from those estimates.

Investments in subsidiaries

Investments in subsidiaries are recognised at cost less impairments booked. Income is recognised from these investments when the right to receive the distribution is established.

Key sources of estimation uncertainty

The key sources of estimation uncertainty that have a significant risk of causing material adjustment to the carrying amounts of assets and liabilities within the next financial year are the measurement and impairment of investments in subsidiary undertakings.

Taxation

Current tax

Current tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from, or paid to, the taxation authorities, based on tax rates and laws that are enacted or substantively enacted by the balance sheet date.

Cash and cash equivalents

Cash and short-term deposits comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less. For the purposes of the cash flow statement, cash and cash equivalents consist of cash and short-term deposits less bank overdrafts that are payable on demand.

Interest-bearing loans and borrowings

Interest-bearing loans and borrowings are initially recognised at fair value less directly attributable transaction costs and are subsequently measured at amortised cost using the effective interest rate method.
