Shareholders' funds		<u>700,808</u>	<u>713,294</u>

The directors are satisfied that the company is entitled to exemption from the requirement to obtain an audit under section 477 of the Companies Act 2006.

Members have not required the company to obtain an audit in accordance with section 476 of the Act.

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of accounts.

The accounts have been prepared in accordance with the provisions in Part 15 of the Companies Act 2006 applicable to companies subject to the small companies regime.

Approved by the board on 21 October 2014

Mr M Iacovides

Director

A. & C. DEVELOPMENTS LIMITED
Notes to the Abbreviated Accounts
for the year ended 31 January 2014

1 Accounting policies

Basis of preparation

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents rents receivable.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Plant and machinery	25% on reducing balance
Motor vehicles	25% on reducing balance

Deferred taxation

Full provision is made for deferred taxation resulting from timing differences between the recognition of gains and losses in the accounts and their recognition for tax purposes, provided the amount is material in the context of the Financial Statement as a whole. Deferred taxation is calculated on an un-discounted basis at the tax rates which are expected to apply in the periods when the timing differences will reverse.

Foreign currencies

Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the balance sheet date. All differences are taken to the profit and loss account.

Investment properties

In accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), no depreciation is provided in respect of properties held as investments. This is a departure from the Companies Act 2006 which requires all properties to be depreciated. Such properties are held for investment and not for consumption and the directors consider that to depreciate them would not give a true and fair view. Depreciation is only one of the many elements reflected in the annual valuation of properties and accordingly the amount of depreciation which might otherwise have been charged cannot be separately identified or quantified. The director considers that this policy results in the accounts giving a true and fair view.

Preparation of consolidated financial statements

The financial statements contain information about A & C Developments Limited as an individual company and do not contain consolidated financial information as the parent of a group. The company has taken the option under section 398 of the Companies Act 2006 not to prepare consolidated financial statements and accordingly these financial statements present information about the company as a single undertaking as the company and its subsidiary undertakings comprise a small group.

Fixed asset investments

Fixed asset investments are stated at cost less provision for diminution in value.

Existing joint venture investments are considered to be an extension of the business hence the company accounts for its share of the underlying net assets of the joint venture as its own assets and liabilities.

2 Tangible fixed assets £

Cost

At 1 February 2013	1,465,690
Additions	21,456
