Notes
(forming part of the financial statements)

1. Principal accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial information.

Basis of accounting

These financial statements were prepared in accordance with Financial Reporting Standard 102 the Financial Reporting Standard applicable in the UK and Republic of Ireland ("FRS 102") as issued in August 2014. The presentation currency of these financial statements is sterling. The financial statements are prepared on the historical cost basis.

FRS 102 grants certain first-time adoption exemptions from the full requirements of FRS 102, and the exemption for dormant companies was taken in the financial statements prepared at the date of transition such that the accounting policies for reported assets, liabilities and equity at the date of transition were retained. There has been no change in those balances and the Company has not undertaken any new transactions following the transition to FRS 102 and therefore the accounting policies at the date of transition have been retained in the current period.

As the Directors expect to place the company into liquidation within 12 months from the balance sheet date, the financial statements have not been prepared on a going concern basis.
