INDEPENDENT AUDITOR'S REPORT TO THE SHAREHOLDER OF R&QUIEM FINANCIAL SERVICES LIMITED

OPINION

We have audited the Financial Statements of R&Quiem Financial Services Limited (the 'Company') for the year ended 31 December 2018, which comprise the Statement of Income and Retained Earnings, the Balance Sheet and notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the Financial Statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2018 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the Financial Statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the Financial Statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Directors' use of the going concern basis of accounting in the preparation of the Financial Statements is not appropriate; or
- the Directors have not disclosed in the Financial Statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the Financial Statements are authorised for issue.

OTHER INFORMATION

The other information comprises the information included in the Annual Report, other than the Financial Statements and our Auditor's Report thereon. The Directors are responsible for the other information. Our opinion on the Financial Statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

A further description of our responsibilities for the audit of the Financial Statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditor's Report.

USE OF OUR REPORT

This report is made solely to the Company's shareholder in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's shareholder those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's shareholder for our audit work, for this report, or for the opinions we have formed.

In preparing the Financial Statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The preparation of Financial Statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Company's accounting policies (see note 3).

The following principal accounting policies have been applied:

2.2 Financial reporting standard 102 - reduced disclosure exemptions

The Company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by the FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland":

- the requirements of Section 3 Financial Statement Presentation paragraph 3.17(d);

- the requirements of Section 33 Related Party Disclosures paragraph 33.7.

This information is included in the consolidated financial statements of Randall & Quilter Investment Holdings Ltd. as at 31 December 2018 and these financial statements may be obtained from 71 Fenchurch Street, London, EC3M 4BS.

2.3 Going concern

The Directors have received confirmation from Randall & Quilter Investment Holdings Ltd. that the Group will continue to support the operations of the Company for the foreseeable future to allow it to be able to meet its own liabilities as they fall due. On the basis of their assessment of the Company's financial position, the Company's Directors have a reasonable expectation that the Company will be able to continue in operational existence for the foreseeable future.

R&QUIEM FINANCIAL SERVICES LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2018

2. ACCOUNTING POLICIES (CONTINUED)

2.4 Turnover

Turnover comprises income from the provision of general insurance administration services, risk management support and recharges to other Group Companies. Income is recognised as the services are provided under the relevant contracts.

Recharges to other Group Companies are made as the expenses to be recharged are incurred.

2.5 Foreign currency translation

Functional and presentational currency

The Company's functional and presentational currency is Great British Pounds (GBP).

2.6 Interest income

Interest income is recognised in the Statement of Income and Retained Earnings using the effective interest method.

2.7 Finance costs

Finance costs are charged to the Statement of Income and Retained Earnings over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument.

2.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

R&QUIEM FINANCIAL SERVICES LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2018

2. ACCOUNTING POLICIES (CONTINUED)

2.9 Financial instruments

(i) Financial assets

Basic financial assets, including trade and other receivables, cash and bank balances and investments in commercial paper, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

Such assets are subsequently carried at amortised cost using the effective interest method.

At the end of each reporting period financial assets measured at amortised cost are assessed for objective evidence of impairment. If an asset is impaired the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

(ii) Financial liabilities

Basic financial liabilities, including trade and other payables, bank loans and loans from fellow Group Companies are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Financial liabilities are derecognised when the liability is extinguished, that is when the contractual obligation is discharged, cancelled or expires.

(iii) Offsetting

Financial assets and liabilities are offset and the net amounts presented in the Financial Statements when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

2.10 Provisions for liabilities

Provisions are made where an event has taken place that gives the Company a legal or constructive obligation that probably requires settlement by a transfer of economic benefit, and a reliable estimate can be made of the amount of the obligation.

Provisions are charged as an expense to the Statement of Income and Retained Earnings in the year that the Company becomes aware of the obligation, and are measured at the best estimate at the Balance Sheet date of the expenditure required to settle the obligation, taking into account relevant risks and uncertainties.

When payments are eventually made, they are charged to the provision carried in the Balance Sheet.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2018**

**3. JUDGEMENTS IN APPLYING ACCOUNTING POLICIES AND KEY SOURCES OF ESTIMATION
UNCERTAINTY**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

(a) Critical judgements in applying the entity's accounting policies

No judgements have been made in applying the entity's accounting policies that would have a significant effect on the amounts recognised in these Financial Statements.

(b) Critical accounting estimates and assumptions

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are addressed below.

(i) Recoverability of debtors

The Company makes an estimate of the recoverable value of trade and other debtors including amounts owed by Group undertakings. When assessing any impairment, management considers factors including the current credit rating of the debtor, the ageing profile of debtors and historical experience. See note 10 for the net carrying amount of debtors and associated impairment provision.

(ii) Provision

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

As disclosed in notes 15 and 16 the Company is faced with a number of disputes and complaints, regarding the provision of advice and services to clients over a number of years. The Company is currently providing redress to certain of these clients and is also contesting a number of the complaints made. Based on the latest available information and compensation factors the Directors have made full provision for their best estimate of the ultimate cost of settling these matters.

As further information becomes available, including any changes to the compensation factors, the estimate made by the Directors may go up or down. Any change in the estimate is reflected in the Financial Statements for the year in which the change is made.

Following the conclusion of an internal review in 2014, the quantum of loss that clients of the Company may have suffered and the amount of compensation that they might be entitled to was calculated actuarially, by reference to Financial Ombudsman Services guidelines. In 2016, following an industry wide review, the Financial Conduct Authority suspended the payment of compensation amounts. This suspension was lifted in 2017 and the Company is in the process of finalising the small number of compensation payments that were affected. It is envisaged that this exercise will be complete by the end of May 2019.

The amount disclosed in note 16 is the Directors' best estimate of the amounts required to settle these, and a number of other unrelated notified matters. Having regard to the warranties, indemnities and indemnity insurance in place, the Directors are satisfied no further provision is required in addition to the amounts disclosed in note 16.
