Directors' report

For the year ending 30 June 2023 the Company was entitled to exemption from audit under s479A of the Companies Act 2006 relating to subsidiary companies.

Principal activities

The principal activity of the Company is that of the acquisition of property on behalf of the Tottenham Hotspur Group.

Risks and uncertainties

The risks and uncertainties of the Company are aligned to those of Tottenham Hotspur Limited and discussed in page 9 of the consolidated Group accounts.

Directors

The Directors who served throughout the period and up to the date of signing were as follows:

D P Levy M J Collecott D Cullen

The Company has made qualifying third party indemnity provisions for the benefit of its directors which were made during the period and remain in force at the date of this report.

Dividends and results

The Directors do not recommend the payment of a dividend in the current year or through to date of signing (2022: £nil). The Company made a loss after tax for the year of £30,589 (2022: £23,053) and the net assets as at 30 June 2023 were £327,268 (2022: £357,857).

The Directors consider the future prospects of the Company to be satisfactory.

The Group made no political donations during the year (2022: £nil).

Going concern

The Company has net current liabilities and net assets at 30 June 2023 and was loss-making during the financial year. The financial statements have been prepared on the going concern basis because the parent company, Tottenham Hotspur Limited, stated that it will provide the necessary financial support to the Company for at least twelve months from the date these accounts are signed. The parent company Directors prepare budgets and forecasts and have produced detailed and realistic cash flow projections which are reviewed on an ongoing basis. These demonstrate that the parent company has the financial capability to satisfy this obligation.

The Board of Directors continually monitors the Group's exposure to a range of risks and uncertainties, including the success of the First Teams and our level of spending thereon, the current economic landscape and the funding requirements for capital projects. These risks and uncertainties, the Group's financial performance and position for the year and its cash flows and funding position, are detailed in the Directors' report of the group financial statements. In addition, note 18 to the Group financial statements includes the Group's objectives, policies and processes for managing its capital, its financial risk management objectives and its exposure to credit and liquidity risk. The Directors believe that these risks and uncertainties are mitigated by, inter alia, the robust nature of our business with long-term fixed revenues from the key business areas, notably the Premier League TV deal that began from the 2022-23 season and key sponsors.

Directors' report (continued)

Going concern (continued)

The Board of Directors have recently undertaken a thorough review of the Group's budgets and forecasts and have produced detailed cash flow projections. The base case scenario assumes that there are no material changes to existing financing arrangements and prudent assumptions have been made in relation to on-pitch performance.

These cash flow projections which, when considered in conjunction with the Group's operational plans, the successful capital increase performed in the prior period by the Group (see notes 15 and 16 of the Group financial statements), as well as existing loans, overdrafts and cash, and which include consideration of reasonably possible changes in trading performance, demonstrate that the Board will ensure there is sufficient working capital to continue to operate for the foreseeable future. The Directors have identified a number of actions they could take in order to mitigate any potential cash flow or financing shortfalls that could reasonably arise. These mitigating actions could include, but are not limited to, advancement of future cash inflows and/or deferring future cash outflows, sale of assets and extension of financing arrangements. In addition to possible mitigating actions, the Directors have also considered a number of potential upsides which include the financial impact of better than forecast on-pitch performance including advancement in domestic cup competitions and qualifying for future UEFA cup competitions and successful insurance claims.

Taking into consideration the letter of financial support and the ability of the parent company to provide that support, as explained above, the Directors believe that the Company has adequate resources to continue in operational existence for the foreseeable future and, as such, the consolidated and separate financial statements have been prepared on the going concern basis.

Approved by the Board of Directors and signed on behalf of the Board

Directors' responsibilities statement

The Directors are responsible for preparing the annual report and financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare such financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101).

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

1. Accounting policies

The financial statements are prepared in accordance with applicable United Kingdom law and accounting standards. The particular accounting policies adopted, which have been applied consistently throughout the current and prior year, are described below.

General information

Stardare Limited is a private company limited by shares, registered in England and Wales and incorporated in the United Kingdom under the Companies Act 2006 and the address of its registered office is disclosed in the Company information. The principal activity of the Company is described in the Directors' report on page 2.

Basis of preparation

The Company meets the definition of a qualifying entity under FRS 100 'Application of Financial Reporting Requirements' issued by the Financial Reporting Council. The financial statements have therefore been prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101).

The financial statements have been prepared on the historical cost basis and in accordance with the Companies Act 2006.

The presentation and functional currency of the Company is pounds sterling.

Application of new and revised International Financial Reporting Standards (IFRSs)

In the current year, the Company has applied a number of amendments to IFRS Accounting Standards issued by the International Accounting Standards Board (IASB) that are mandatorily effective for an accounting period that begins on or after 1 January 2022. Their adoption has not had any material impact on the disclosures or on the amounts reported in these financial statements:

- Amendments to IFRS 3 Reference to the Conceptual Framework
- Amendments to IAS 16 Property, Plant and Equipment—Proceeds before Intended Use
- Amendments to IAS 37 Onerous Contracts Cost of Fulfilling a Contract
- Annual Improvements to IFRS Accounting Standards 2018-2020 Cycle Amendments to IFRS 1 First-time
 Adoption of International Financial Reporting Standards, IFRS 9 Financial Instruments and IFRS 16 Leases

Summary of disclosure exemptions

The following exemptions from the requirements of IFRS have been applied in preparation of these financial statements, in accordance with FRS 101:

- IFRS 7 Financial instruments: Disclosures
- The following paragraphs of IAS 1 Presentation of financial statements:
 - 10(d) statement of cash flows
 - 16 statement of compliance with all IFRS
 - 134-136 capital management disclosures,
- Paragraph 73(e) of IAS 16 Property, Plant and Equipment, and
- Paragraph 30 and 31 of IAS 8, disclosure and impact of new IFRSs that has been issued but not yet effective, and
- The requirements in IAS 24 of Related party disclosures, to disclose related party transactions entered between two or more members of a group.

Accounting convention

The financial statements are prepared under the historical cost convention.

Cash flow statement

As permitted by FRS 101, the Company has taken advantage of the disclosure exemptions available under that standard in relation to presentation of a cash-flow statement. Where required, equivalent disclosures are given in the consolidated accounts of Tottenham Hotspur Limited. The consolidated accounts of Tottenham Hotspur Limited are publically available.

Going concern

The Company is a property company with net current liabilities and net assets at 30 June 2022 and was loss-making during the financial period. The financial statements have been prepared on the going concern basis because the parent company, Tottenham Hotspur Limited, stated that it will provide the necessary financial support to the Company for at least twelve months from the date these accounts are signed. The parent company Directors prepare budgets and forecasts and have produced detailed and realistic cash flow projections which are reviewed on an ongoing basis. These demonstrate that the parent company has the financial capability to satisfy this obligation.

The Board of Directors continually monitors the Group's exposure to a range of risks and uncertainties, including the success of the First Teams and our level of spending thereon, the current economic landscape and the funding requirements for capital projects. These risks and uncertainties, the Group's financial performance and position for the year and its cash flows and funding position, are detailed in the Directors' report of the group financial statements. In addition, note 18 to the Group financial statements includes the Group's objectives, policies and processes for managing its capital, its financial risk management objectives and its exposure to credit and liquidity risk. 1. Accounting policies (continued)

Revenue

Revenue represents rental income received from the letting of the Company's properties. Revenue is recognised as per the contractual terms of the rental agreements. All revenue arises in the United Kingdom.

Current and deferred tax

The tax expense represents the tax currently payable.

The tax currently payable is based on taxable profit for the year. Taxable profits differ from net profit as reported in the income statement because they exclude items of income or expense that are taxable or deductible in other years and they further exclude items that are never taxable or deductible. The Company's liability for current tax is calculated using tax rates that have been substantively enacted by the balance sheet date.

Property, plant and equipment

Property, plant and equipment is stated at cost or valuation, net of depreciation and any provision for impairment.

Depreciation is provided on cost in equal annual instalments over the estimated useful lives of the assets. The rates of depreciation are as follows:

Freehold land and buildings

2% straight-line

Financial instruments

Financial assets and liabilities are recognised in the Group's statement of financial position when the Group becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and

Financial instruments (continued)

financial liabilities at fair value through profit or loss ("FVTPL")) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any fair value gains or losses recognised in profit or loss to the extent they are not part of a designated hedging relationship. The net gain or loss recognised in profit or loss includes any dividend or interest earned on the financial asset and is included in the 'other gains and losses' line item.

Impairment of financial assets

All financial assets are assessed for indicators of impairment at each balance sheet date.

Critical accounting judgements and sources of estimation uncertainty

In the application of the Company's accounting policies, the Directors of the Company are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. There are no critical accounting judgements or sources of estimation uncertainty which have a material impact on the financial statements.
