LIQUIDATOR'S ACTIONS SINCE LAST REPORT

It has now been a little over three years since I was appointed as Liquidator, therefore I am writing to update on the current position.

The Deed of Indemnity which the Company is party to places a potential liability on the Company. This deed is still in place and therefore the liquidation remains open until the potential liability is resolved.

There is certain work that I am required by the insolvency legislation to undertake in connection with the liquidation that provides no financial benefit for the members. A description of the routine work undertaken since my last progress report is contained in Appendix 2.

RECEIPTS AND PAYMENTS ACCOUNT

My Receipts & Payments Account for the period from 22 February 2021 to 21 February 2024 is enclosed at Appendix 1. All amounts are shown net of VAT. I have reconciled the account against the financial records that I is required to maintain.

ASSETS

Realisations are as previously reported.

LIABILITIES

Secured Creditors

There are no known secured creditors.

Preferential Creditors

There are no known preferential creditors.

Crown Creditors

There are no known Crown creditors.

Non-preferential unsecured Creditors

There are no known Non-Preferential Unsecured Creditors. However, I would refer to the potential liability mentioned above.

SHARE CAPITAL

All current known creditors have been paid in full. The following distribution was therefore made to the Member:

Amount of distribution (£)	Rate of distribution per share
2.00	10p per 10 ordinary share
2.00	_

The distribution to the members declared on 7 February 2023 included a distribution in specie of the following Company asset;

Debt due from parent company in the amount of £2.00

LIQUIDATOR'S REMUNERATION AND EXPENSES

Liquidator's remuneration

My remuneration was previously authorised by Members at a meeting held on 22 February 2021 on a fixed fee basis of £1,200 plus VAT.

The member also agreed to further remuneration on a time costs basis for dealing with the potential liability under the Deed of Indemnity. These time costs total to £2,072.00.

My fees will be paid by a connected party.

A copy of 'A Members' Guide to Liquidators' Fees', together with an explanatory note which shows Antony Batty & Co. Thames Valley's fee policy are available at the link https://www.kwr.antonybatty.com/remuneration.

Liquidator's expenses

Expenses are any payments from the estate which are neither an office holder's remuneration nor a distribution to a creditor or a member. Expenses also includes disbursements. Disbursements are payments which are first met by the office holder and then reimbursed to the office holder from the estate. Expenses are split into:

- category 1 expenses, which are payments to persons providing the service to which the expense relates who are not an associate of the office holder; and
- category 2 expenses, which are payments to associates or which have an element of shared costs. Before being paid category 2 expenses require approval in the same manner as an office holder's remuneration.

I have incurred total expenses of £269.25, which I incurred in the period to 21 February 2022 and have been paid by a connected party.

FURTHER INFORMATION

A Member may, with the permission of the court or with at least 5% of the total voting rights of all the Members having the right to vote at general meetings of the company request further details of the Liquidator's remuneration and expenses, within 21 days of receipt of this report.

A Member may, with the permission of the court or with at least 10% of the total voting rights of all the Members having the right to vote at general meetings of the company, apply to Court to challenge the amount of remuneration charged by the Liquidator as being excessive, and/or the basis of the Liquidator's remuneration, and/or the amount of the expenses incurred as being excessive, within 8 weeks of their receipt of this report.
