Directors' Report

The Directors present their Report and Financial Statements for the year to 31 March 2020. Scotlife Home Loans (No.2) Limited ('the Company') is a limited liability company incorporated and domiciled in the United Kingdom.

Principal activity and business review

The Company qualifies as a small company in accordance with sections 381-382 of the Companies Act 2006 (the 'Act'). The Directors' report has therefore been prepared taking into consideration the entitlement to small companies exemptions provided in section 414B (as incorporated to the Act by the Strategic Report and Directors' Regulations 2013) of the Act.

The principal activity of the Company is to act in an agency capacity, to enable the collection and distribution of cash from mortgage loans secured on residential property.

The Company has not traded during the current or preceding year and consequently made neither a profit or a loss.

Controlling Party

The Company's immediate parent undertaking is Bradford & Bingley Investments, an unlimited company incorporated and domiciled in the United Kingdom.

Bradford & Bingley Investments' immediate parent undertaking is Bradford & Bingley plc ('B&B'), a public company incorporated and domiciled in the United Kingdom. B&B heads the smallest group of companies into which the Financial Statements of the Company are consolidated.

B&B's ultimate parent undertaking is UK Asset Resolution Limited ('UKAR'), a private limited company incorporated and domiciled in the United Kingdom, which is wholly owned by the Treasury Solicitor as nominee for HM Treasury. The Company considers the UK Government to remain its ultimate controlling party. Copies of the Financial Statements of B&B and UKAR may be obtained from the Company Secretary, P.O. Box 88, Croft Road, Crossflatts, Bingley BD16 2UA. The results of the UKAR Group are consolidated into the Annual Report and Accounts of HM Treasury which are available at www.gov.uk/government/publications.

Dividends

No dividend was paid during the year (2019: £nil), and the Directors do not recommend the payment of a final dividend for the year.

Directors and their interests

The Directors who served during the year and up to the date of signing the Financial Statements were as follows:

Ian John Hares
John Gornall

The Directors did not hold any interest in the ordinary shares of the Company during the current or preceding year. The Directors had no interest in the loan capital of B&B or any other interest in the share or loan capital of its subsidiaries.

Mr Hares is a Director of B&B and UKAR.

Directors' Report (continued)

Risk management and control

The Directors have responsibility for the overall system of internal control and for reviewing its effectiveness. The effectiveness of the risk management is then monitored on an ongoing basis. Further discussion in the context of the B&B Group as a whole is provided in that Group's 2020 Annual Report & Accounts which do not form part of this Report and Financial Statements.

Directors' indemnities

Qualifying third party indemnity provision for the benefit of all Directors was in force during the year under review, and remains in force at the date of approval of the Directors' Report and Financial Statements.

UKAR has also arranged Directors' and Officers' Insurance on behalf of the Director in accordance with the provisions of the Companies Act 2006.

Statement of Directors' Responsibilities

The Directors are responsible for preparing the Directors' Report and the Financial Statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare Financial Statements for each financial period. Under that law the Directors have prepared the Financial Statements in accordance with International Financial Reporting Standards ('IFRS') as adopted by the European Union. Under company law the Directors must not approve the Financial Statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these Financial Statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable IFRS as adopted by the EU have been followed, subject to any material departures disclosed and explained in the Financial Statements; and
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the Financial Statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to the Financial Statements

1. Principal accounting policies

The Company is a limited liability company incorporated and domiciled in the United Kingdom.

(a) Statement of compliance

The Company's Financial Statements have been prepared and approved by the Directors in accordance with International Financial Reporting Standards as adopted by the EU ('Adopted IFRS').

The Financial Statements comply with the relevant provisions of Part 15 of the Companies Act 2006 and regulations made thereunder.

(b) Basis of preparation

The Financial Statements are prepared on the historical cost basis.

The Financial Statements are presented in pounds sterling, which is the currency of the Company's primary operating environment, and on a going concern basis. The validity of the going concern basis of accounting is dependent upon the funding position of the Company. B&B has confirmed its intentions to honour all intragroup balances until at least 1 January 2022 subject to HM Treasury ('HMT') continuing to make available funding and guarantees to B&B during this time. Whilst B&B is in government ownership the Directors are confident that the balance owed to the Company is recoverable as B&B has had reassurance from HMT that its support will continue while it remains a subsidiary of HMT.

UKAR's ultimate objective is to return the taxpayer's investment in B&B and NRAM in full. During the year UKAR launched a process that, if successful, would result in the sale of its shareholding in B&B and NRAM. Due to the COVID-19 pandemic the process was placed on hold in March 2020. Subsequent to the year end the process was re-started.

The Directors are of the opinion that the amount owed to the Company by Bradford & Bingley Investments would continue to be fully recoverable following a sale of B&B by UKAR and that therefore the Company would continue to be a going concern. The Directors therefore consider it appropriate to prepare these Financial Statements on a going concern basis.

The Directors do not intend to make any change to the Company's activities and there is no intention that the Company will trade in the coming year.

The Directors consider that the accounting policies set out in this note are the most appropriate to the Company's circumstances, have been consistently applied by the Company in dealing with items which are considered material, and are supported by reasonable and prudent estimates and judgements.

The Financial Statements have been prepared in accordance with EU adopted IFRS, IFRIC interpretations issued by the IFRS Interpretations Committee (formerly the International Financial Reporting Interpretations Committee) and with those parts of the Companies Act 2006 applicable to companies reporting under IFRS. The preparation of the Financial Statements in conformity with these accounting policies and generally accepted accounting principles requires the use of estimates and assumptions that affect the reported values of assets and liabilities at the date of the Financial Statements and the reported amounts of revenues and expenses during the reporting period. Although these estimates are based on management's best knowledge of the amounts, events or actions, actual results ultimately may differ from those estimates.
