Notes to the Financial Statements

Year ended 31 December 2010

1. Dormant status

The company was dormant (within the meaning of Section 480 of the Companies Act 2006) throughout the year ended 31 December 2010. The company has not traded during the year. During the year the company received no income and incurred no expenditure and therefore made neither profit nor loss.

2. Accounting policies

A summary of the principal accounting policies is set out below. All accounting policies have been applied consistently, unless noted below.

Basis of accounting

The financial statements have been prepared under the historical cost convention in accordance with the Companies Act 2006, and applicable UK accounting standards.

Trade and other debtors

Trade and other debtors are stated at their recoverable amount. Provision is made when the amount receivable is not considered recoverable and the full amount is written off when the probability for recovery of a balance is assessed as being remote.

3. Operating profit

Operating profit is stated after crediting

	2010	2009
	£	£
Release of provision against amounts due from group undertakings	—	(93,748)

In the prior year, as part of a group restructuring exercise, a receivable of £93,750 due from BCMV Limited was re-assigned to ntl (B) Limited. The receivable had previously been impaired by a provision of £93,748 and disclosed in the financial statements at its net value of £2. As a result of the reassignment of the debt to a different group undertaking and a review of inter-company debt there was a release of the provision against amounts due from group undertakings totalling £93,748.

4. Taxation

(a) Analysis of charge in the year

The tax charge is made up as follows

	2010	2009
	£000	£000
Current tax charge		
Current tax on profit for the year	-	-
Deferred tax:		
Origination and reversal of timing differences	-	-
Total tax charge on profit on ordinary activities	-	-

ntl (Lambeth and Southwark) Limited

Notes to the Financial Statements

Year ended 31 December 2010

4. Taxation (continued)

(b) Factors affecting current tax charge

The tax assessed on the profit on ordinary activities for the year is lower than the standard rate of corporation tax in the UK of 28% (2009 - 28%)

The difference between the effective statutory rate and the actual current tax charge is reconciled as follows

	2010	2009
	£	£
Profit on ordinary activities before taxation	-	93,748
Profit on ordinary activities multiplied by rate of tax	-	26,249
Non taxable income	-	(26,249)
Total current tax (note 4(a))	-	-

(c) Factors that may affect future tax charges

There are no factors which may affect the future tax charge

(d) Change in tax rate

As at 31 December 2010 the enacted UK corporation tax rate scheduled to take effect in April 2011 was 27%. A rate reduction to 26% was enacted under the Provisional Collection of Taxes Act in March 2011 with effect from 1 April 2011, and further rate reductions were announced, to be introduced in annual decrements to reduce the rate to 23%. These rate changes will affect the amount of future tax payments to be made by the company

5. Debtors

	2010	2009
	£	£
Amounts owed by group undertakings	93,750	93,750

Amounts owed by group undertakings are unsecured, interest free and are repayable on demand

ntl (Lambeth and Southwark) Limited

Notes to the Financial Statements

Year ended 31 December 2010

6. Contingent liabilities

The company, along with fellow group undertakings, is party to a senior secured credit facility with a syndicate of banks. As at 31 December 2010 this comprised a term facility of £1,675 million and a revolving facility of £250 million. Borrowings under the facility are secured against the assets of certain members of the group including those of the company.

In addition, a fellow group undertaking has issued senior secured notes which, subject to certain exceptions, share the same guarantees and security which have been granted in favour of the senior credit facility. The amount outstanding under the senior secured notes at 31 December 2010 amounted to approximately £1,495 million (2009 - £nil). Borrowings under the notes are secured against the assets of certain members of the group including those of the company.

On 3 March 2011 Virgin Media Secured Finance PLC, a fellow group undertaking, issued £957 million equivalent aggregate principal amount of senior secured notes due in 2021. The notes are split into a \$500 million US dollar denominated tranche and a £650 million sterling denominated tranche. The notes will rank pari passu with Virgin Media's senior secured credit facility and its existing senior secured notes due in 2018 and, subject to certain exceptions, share in the same guarantees and security granted in favour of its senior secured credit facility and its existing senior secured notes due in 2018. The net proceeds from the issuance of the senior secured notes were in part used to repay £900 million of the group's obligations under its senior secured credit facility.

On 20 May 2011, the senior secured credit facility was amended to reduce the margins payable, reduce the outstanding loan balance by £25 million and increase the revolving credit facility from £250 million to £450 million.

The company has joint and several liabilities under a group VAT registration.

7. Related party transactions

The company has taken advantage of the exemption under FRS 8 not to disclose transactions with group undertakings as it is a subsidiary undertaking which is 100% controlled by the ultimate parent undertaking.

8. Share capital
