DIRECTORS' REPORT FOR THE YEAR ENDED 30 JUNE 2009

The directors present their report and the financial statements for the year ended 30 June 2009.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

PRINCIPAL ACTIVITIES

The principal activity of the company in the year under review was that of millers and marketers of flours and foods.

DIRECTORS' REPORT FOR THE YEAR ENDED 30 JUNE 2009

BUSINESS REVIEW

The directors aim to present a balanced and comprehensive review of the development and performance of the business during the year and its position at the year end.

Our review is consistent with the size and nature of the business and is written in the context of the risks and uncertainties which the company faces.

The company has had another successful year in milling, baking and selling organic flours and foods, of which all bakery products currently meet Fair Trade and organic status.

During the year the company has continued to develop with good sales growth, despite a very tough market, where the poor national economic situation has driven consumers to cheaper food products and organic sales have suffered and even decreased, growth in that situation has been quite an achievement.

The company has developed the new, larger site, so as to produce a wider ranges of products and these will gradually come on stream during 2009-10.

Doves Farm Foods focuses on the growing market for gluten free & Fair-Trade products which are becoming more and more popular within today's society. This is reflected in an increase in demand from the larger retailers.

The main risk to the business is the cost and supply of grain. Current world production has increased and commodity prices have fallen but competition in the market place is such that finished product and shelf prices are under extreme downward pressure, due to this, margins have tightened, these factors are outside of the control of the directors. A further constraint is the strength and volatility of the Euro currency, many ingredients and products are purchased in Euros and it is not always possible to pass on extra costs incurred in this way. But the company has great strength in that it is very well financed, has no borrowings and invests out of retained cash, so the credit squeeze is a positive, as it effects most competitors adversely.

Further to this, food safety and contamination are always a risk to a company of this nature. Although these are minimised by tight controls, and the continuous review of these controls and procedures within the day to day activity of the company. This includes the use of external audits, the response of these audits throughout the year have all been positive, and we were awarded the highest level of attainment at our main BRC audit. Given the nature of the business, the company's directors are of the opinion that analysis using financial Key Performance Indicators is not relevant for an understanding of the development, performance or position of the entity.

RESULTS

The profit for the year, after taxation, amounted to £529,501 (2008 - £656,866).

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF DOVES FARM FOODS LIMITED

We have audited the financial statements of Doves Farm Foods Limited for the year ended 30 June 2009, set out on pages 7 to 17. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Sections 495 and 496 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

As explained more fully in the Statement of directors' responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements.

OPINION ON FINANCIAL STATEMENTS

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 June 2009 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

OPINION ON OTHER MATTER PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion the information given in the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2009

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards.

1.2 Turnover

Turnover comprises revenue recognised by the company in respect of goods and services supplied, exclusive of Value Added Tax and trade discounts.

1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

L/Term Leasehold Property - 4% straight line
Plant & machinery - 10- 20% reducing balance
Motor vehicles - 25% reducing balance
Computer equipment - 3-5 years straight line

1.4 Operating leases

Rentals under operating leases are charged on a straight line basis over the lease term.

Benefits received and receivable as an incentive to sign an operating lease are recognised on a straight line basis over the period until the date the rent is expected to be adjusted to the prevailing market rate.

1.5 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

1.6 Deferred taxation

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation.

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse.

Deferred tax assets and liabilities are discounted.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2009

1. ACCOUNTING POLICIES (continued)

1.7 Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at rates of exchange ruling at the balance sheet date.

Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction.

Exchange gains and losses are recognised in the Profit and loss account.

2. TURNOVER

The whole of the turnover is attributable to the sale of organic flours and foods.

All turnover arose within the United Kingdom.

3. OPERATING PROFIT

The operating profit is stated after charging:

| | 2009 £ | 2008 £ |
|--|-------------|-----------|
| Depreciation of tangible fixed assets: | | |
| - owned by the company | 243,838 | 210,309 |
