**Notes to the Abbreviated Accounts for the period ended 31 May 2014****1 Accounting Policies****Basis of measurement and preparation of accounts**

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The financial statements have been prepared on a going concern basis, which assumes that the company will continue to receive financial support from its company's bankers and directors. Having considered all the information available, the directors have reasonable expectation that the company will have adequate financial support for at least one year from the date of approval of the financial statements.

**Turnover policy**

Turnover represents revenue recognised in the accounts. Revenue is recognised when the company fulfills its contractual obligations to customers by supplying goods and services and excludes value added tax. Where services are performed gradually over time revenue is recognised as activity progresses by reference to the value of the work performed.

In respect of long-term contracts and contracts for on-going services, turnover represents the value of work done in the year, including estimates of amounts not invoiced. Turnover in respect of long-term contracts and contracts for on-going services is recognised by reference to the stage of completion.

**Tangible assets depreciation policy**

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Plant & Machinery - 25% reducing balance

Motor Vehicles - 25% reducing balance

Equipment - 25% reducing balance

**Other accounting policies**

Pension costs

The company operates a defined contribution pension scheme for employees. The assets of the scheme are held separately from those of the company. The annual contributions payable are charged to the profit and loss account.

Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more tax.
