## NOTES TO THE ABBREVIATED ACCOUNTS

**FOR THE YEAR ENDED 31 JULY 2010**

---

### **1 Accounting policies**

#### **1.1 Accounting convention**

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

#### **1.2 Turnover**

Turnover represents amounts receivable for goods and services, net of trade discounts, as well as amounts for partial recognition of contracts

#### **1.3 Tangible fixed assets and depreciation**

Tangible fixed assets other than freehold land are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows

Improvements to leasehold property	Over the life of the lease
Fixtures, fittings & equipment	10% or 20% on cost

#### **1.4 Leasing**

Rentals payable under operating leases are charged against income on a straight line basis over the lease term

#### **1.5 Investments**

Fixed asset investments are stated at cost less provision for diminution in value

#### **1.6 Revenue recognition**

Fee income represents revenue earned under a wide variety of contracts to provide professional services. Revenue is recognised as earned when, and to the extent that, the firm obtains the right to consideration in exchange for its performance under these contracts. It is measured at the fair value of the right to consideration, which represents amounts chargeable to clients, including expenses and disbursements but excluding value added tax.

Revenue is generally recognised as contract activity progresses so that for incomplete contracts it reflects the partial performance of the contractual obligations. For such contracts the amount of revenue reflects the accrual of the right to consideration by reference to the value of work performed. Revenue not billed to clients is included in debtors and payments on account in excess of the relevant amount of revenue are included in creditors.

Fee income that is contingent on events outside the control of the firm is recognised when the contingent event occurs.
