ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 1996

The Management Committee present their annual report and the financial statements for the year ended 31 March 1996.

Principal activities and review

The Public Law Project is a national charity whose objects, as defined by the Memorandum of Association are:

To secure access to and the benefit and protection of, public law and good administrative practice for those in need of it but for whom by reason of poverty, discrimination, social, economic or other disadvantage, it is not readily available or accessible.

To promote, carry out and commission research into the principles and practice of public law and administration, and to publish the results.

To make the principles and practice of public law and administration known and accessible.

Within this broad remit the Public Law Project has adopted three main objectives:-

- 1) increasing the accountability of public decision-makers;
- 2) enhancing the quality of public decision-making;
- 3) improving access to justice.

To fulfil these objectives the charity undertakes a programme of work in research, policy, casework, legal advice, legal education, publications and outreach activities. The work includes convening representatives from other organisations, academics and practitioners for conferences, seminars, lectures and other joint initiatives.

Activities

We have identified the health service and ombudsman systems as new areas for policy and research and have begun work in these areas.

This year legal advice and casework have concentrated on issues such as community care for the elderly and disabled, special education needs and the rights of the traveller community.

In response to the legal aid debate we have convened the Public Interest Law Group comprised of organisations involved in public interest law to discuss proposed reforms in the legal aid and civil justice systems.

Educational activities during the year included a two day training course on judicial review practice and procedure which was attended by practitioners from law centres and private practice.

We were honoured to have The Rt Hon Sir Richard Scott, The Vice Chancellor of the Supreme Court, as the speaker at our annual lecture. He addressed an audience of over 200 including lawyers, academics, students and journalists on the subject of the acceptable and unacceptable use of public interest immunity certificates.

This year also saw the publication of The Applicant's Guide to Judicial Review, our practitioner's guide to judicial review, published by Sweet and Maxwell, which has sold 300 copies and, A Matter of Public Interest, the report of the JUSTICE/Public Law Project working party on intervention in public interest cases.

ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 1996

Financial review

The charity had net incoming resources on unrestricted funds, a surplus, of £11,448 for the year. Together with the accumulated surplus brought forward from previous years, the charity now has an accumulated surplus on unrestricted funds of £12,253 (1995, surplus of £805). Restricted funds carried forward at 31 March 1996 amounted to £4,150 (1995, £NIL). This is sufficient for the activities for which the funds were provided.

In November 1995 the National Lottery Charities Board awarded The Public Law Project a grant of £122,600 over three years to support core administrative costs and the purchase of certain capital items.

Since the end of the financial year the Public Law Project has secured further grants of £66,308 from the Joseph Rowntree Charitable Trust over the next three years to support our policy and research programme and £203,508 from the National Lottery Charities Board to fund a major research project on the NHS complaints system and access to information in the NHS.

Company status

The project is a non-profit making company, limited by guarantee and, registered at Companies House under the number 2368562. The company is registered with the Charity Commissioners under the number 1003342.

Management Committee

The Members of the Management Committee perform the role of directors in company law, and are the trustees in charity law. Those who served during the year, except where indicated, were:

Lee Bridges Melvin Coleman (Treasurer) Richard de Friend Tess Gill Dr Clive Grace Stephen Grosz Hilary Kitchin

Patrick Lefevre Kate Markus (Chair) Dave Perry (Secretary) Genevra Richardson John Wadham (resigned 19/01/96) Jane Winter

Statement of the Management Committee's responsibilities

Company law requires the Management Committee to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the surplus or deficit of the company for that period. In preparing those financial statements, the Management Committee is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Management Committee is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 1996

The auditors, John Ellis & Company, are willing to continue in office and will be proposed for reappointment in accordance with section 385 of the Companies Act 1985.

behalf by:

AUDITORS' REPORT TO THE MEMBERS OF PUBLIC LAW PROJECT

We have audited the financial statements on pages 5 to 11 which have been prepared under the historical cost convention and the accounting policies set out on page 7.

Respective responsibilities of the Management Committee and auditors

As described on page 2 the company's Management Committee is responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the Management Committee in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion, the financial statements give a true and fair view of the state of the company's affairs as at 31 March 1996 and of its incoming resources and application of resources, including income and expenditure, for the year then ended and have been properly prepared in accordance with the provisions of the Companies Act 1985.

NOTES TO THE FINANCIAL STATEMENTS For the year ended 31 March 1996

1. ACCOUNTING POLICIES

A summary of the principal accounting policies, all of which have been applied consistently throughout the year and with the preceeding year, is set out below.

1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with Statement of Recommended Practice "Accounting by Charities" and with applicable accounting standards. The financial statements include the results of the company's operations which are described in the Annual Report and all of which are continuing.

The company has taken advantage of the exemption in Financial Reporting Standard No.1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

1.2 Turnover

Total incoming resources as shown in the Statement of Financial Activities is the turnover of the charity. It represents the value of fees, grants and donations receivable in the ordinary course of activities. It includes the total amount of capital grants receivable in the year.

Voluntary income received by way of donations and gifts to the charity is included in full in the Statement of Financial Activities when received. Intangible income is not included unless it represents goods or services which would otherwise have been purchased. Gifts in kind are valued and brought in as income together with the appropriate expenditure.

Fees and disbursements receivable from the Legal Aid Board are accounted for in the year of receipt.

1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Office equipment

33% Straight line

1.4 Restricted funds

Restricted funds are to be used for specified purposes as laid down by the donor. Expenditure which meets this criteria is identified to the fund, together with a fair allocation of overheads and support costs.

1.5 Unrestricted funds

Unrestricted funds are donations and other incoming resources received or generated for the charities purposes.

1.6 Staff costs and overheads

Staff costs and overhead expenses are allocated to activities on the basis of staff time spent on those activities.

NOTES TO THE FINANCIAL STATEMENTS For the year ended 31 March 1996

1.7 Deferred grants

Grants for the purchase of fixed assets are credited to restricted incoming resources when receivable. Depreciation on fixed assets purchased with such grants is charged against the restricted fund over the expected useful life of the asset.

Grants of a revenue nature are credited to incoming resources in the period in which they are receivable. Grants received in advance for specified future periods are carried forward as deferred income.

2. DIRECT CHARITABLE EXPENDITURE

DIRECT CHARTABLE EXICENSIVE	Unrestricted Funds	Restricted Funds	Total Funds 1996	Total Funds 1995
	£	£	£	£
