Notes to the Abbreviated Accounts

For the year ending 30 June 2010

1 Accounting policies**Basis of accounting**

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover consists of contributions received from flat owners. The turnover basis is not affected by consideration of long-term contracts and contracts for ongoing services.

Financial Instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Taxation

The company exists solely to provide management services for the leasehold flats. As a result it is classified as non-trading for taxation purposes.

Maintenance contributions and service charges

During the period the company received maintenance contributions from the leaseholders and incurred costs on behalf of the leaseholders. With effect from 1 July 2009 and in accordance with section 42 of the Landlord and Tenants Act 1987 the total of any funds held in the bank account or in cash has been treated as being held in trust on behalf of the leaseholders. A provision has been made in the financial statements under creditors due less than one year for the total amount held on behalf of the leaseholders at the period end date.
