Strategic report

Principal activities and business review

The principal activities of the holding company, Nippon Paint (Europe) Limited, continues to be the performance of technical and business related activities for the ultimate parent company, Nippon Paint Company Limited (NPC), a company incorporated in Japan, together with the procurement and export of paint related raw materials and test equipment from Europe to NPC and the procurement and import of products from NPC for subsequent resale in Europe

In December 2013 the holding company acquired 39% of the shareholding of Bollig & Kemper GmbH & Co, a private company in Germany with significant automotive coatings contracts with European car manufacturers

NP Automotive Coatings (Europe) Limited

The principal activity of the subsidiary undertaking, NP Automotive Coatings (Europe) Limited (NPAE), continues to be the manufacture and sale of specialised paints for plastics and metals used in the motor industry

In common with many suppliers to the UK motor industry NPAE is constantly under pressure to reduce its prices. In order to maintain its market share it is absorbing such pressures by making efficiencies in the manufacturing process, localising raw materials and controlling its overhead expenditure. The company's underlying policy continues to be to give customer satisfaction, deliver quality products, good service and to continually strive to improve the company's performance.

Regarding risks and uncertainties the company has implemented a coordinated set of risk management and control systems, including strategic planning and management reporting, to help anticipate, measure, monitor and manage its exposure to risk.

The key risks and uncertainties facing the company concern rising oil prices, exchange rate volatility and ongoing competitiveness of the UK motor industry.

The Senior Management Team, led by the Managing Director, regularly reviews the performance of the company using a cross section of Key Performance Indicators. Included in these are Health, Safety and Environmental issues which remain a priority of the business.

Directors' report

The directors present their annual report and the audited consolidated financial statements for the year ended 31 December 2013

Proposed dividend

The directors do not recommend the payment of a dividend (2012 £nil)

Directors and directors' interests

The directors who held office during the year were as follows

H Ueno
M Iwamura

None of the directors who held office at the end of the financial year had any disclosable interest in the shares of the company or other group companies

According to the register of directors' interests, no rights to subscribe for shares in, or debentures of, the company or any other group company were granted to any of the directors or their immediate families, or exercised by them, during the financial year

Disabled employees

Applications for employment by disabled persons are always fully considered, bearing in mind the aptitudes of the applicant concerned. In the event of members of staff becoming disabled, every effort is made to ensure that their employment with the group continues and that appropriate training is arranged. It is the policy of the group that the training, career development and promotion of disabled persons should, as far as possible, be identical with that of other employees.

Employee consultation

The group places considerable value on the involvement of its employees and keeps them informed on matters affecting them as employees and on the various factors affecting the performance of the group. This is achieved through formal and informal meetings. Employee representatives are consulted regularly on a wide range of matters affecting their current and future interests.

Disclosure of information to auditor

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditor is unaware, and each director has taken all the steps that he ought to have taken as a director to make himself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Auditor

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

Statement of Directors' Responsibilities in respect of the Strategic report, Directors' report and the Financial Statements

The directors are responsible for preparing the Strategic report and Directors' report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice)

The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period

In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that its financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities

Independent auditor's report to the members of Nippon Paint (Europe) Limited

We have audited the financial statements of Nippon Paint (Europe) Limited for the year ended 31 December 2013, set out on pages 6 to 19. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at www.frc.org.uk/auditscopeukprivate.

Opinion on the financial statements

In our opinion the financial statements

- give a true and fair view of the state of the group's and the parent company's affairs as at 31 December 2013 and of the group's profit for the year then ended,
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice and,
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Strategic Report and Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Independent auditor's report to the members of Nippon Paint (Europe) Limited *(continued)*

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us, or
- the parent company financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

Notes

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules

The company has considerable financial resources together with long term contracts with a number of customers and suppliers across a number of geographic areas. As a consequence, the directors believe that the company is well placed to manage its business risks successfully despite the current uncertain economic outlook. The directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis in preparing the annual financial statements.

Under Financial Reporting Standard 1 the company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent undertaking includes the company in its own published consolidated financial statements.

As the company is a wholly owned subsidiary of Nippon Paint Company Limited (NPC), the company has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which form part of the group. The consolidated financial statements of NPC can be obtained from the address given in note 18.

Basis of consolidation

The consolidated financial statements include the financial statements of the company and its subsidiary undertaking made up to 31 December 2013.

The acquisition method of accounting has been adopted. Under this method, the results of subsidiary undertakings acquired or disposed of in the year are included in the consolidated profit and loss account from the date of acquisition or up to the date of disposal.

In the company's financial statements, investment in subsidiary is stated at cost less any impairment.

The company has taken advantage of the exemption in Section 408 of the Companies Act 2006 not to present its own profit and loss account. The company's profit for the financial year, determined in accordance with the Act, was £51,000 (2012 profit £100,000).

Tangible fixed assets

Depreciation is provided to write off the cost less the estimated residual value of tangible fixed assets by equal instalments over their estimated useful economic lives as follows:

Freehold buildings	-	30 years
Motor vehicles	-	3 years or over the lease period (up to 3 years)
Plant and machinery	-	15 years
Furniture and equipment	-	4-5 years

No depreciation is provided on freehold land or assets in the course of construction.

Residual value is calculated on prices prevailing at the date of acquisition.

Foreign currencies

Transactions in foreign currencies are recorded using the rate of exchange ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the year end are reported using the rates of exchange prevailing at that date. Any gains or losses arising from a change in exchange rates subsequent to the date of the transaction are included as an exchange gain or loss in the profit and loss account.

Notes (continued)

1 Accounting policies (continued)

Leases

Assets acquired under finance leases are capitalised and the outstanding future lease obligations are shown in creditors. Operating lease rentals are charged to the profit and loss account on a straight line basis over the period of the lease.

Stocks

Stocks are stated at the lower of cost and net realisable value.

In determining the cost of raw materials, consumables and goods purchased for resale, the weighted average purchase price is used. For work in progress and finished goods, cost is taken as production cost, which includes an appropriate proportion of attributable overheads.

Taxation

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Provision is made for deferred tax only to the extent that it is probable that an actual liability will crystallise.

Deferred tax is recognised without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19.

Pension costs

The company and subsidiary undertaking provide pensions to their employees through defined contribution group personal pension schemes underwritten by Aviva.

The amount charged to the profit and loss account in respect of pension costs is equal to the contributions payable in the year. Differences between contributions payable in the year and contributions actually paid are included as either accruals or prepayments in the balance sheet.

Turnover

Turnover represents the amounts (excluding value added tax) derived from the provision of goods and services to customers during the year and is recognised on delivery of goods to customers.

Reductions in the UK corporation tax rate from 26% to 24% (effective from 1 April 2012) and to 23% (effective 1 April 2013) were substantively enacted on 26 March 2012 and 3 July 2012 respectively. Further reductions to 21% (effective from 1 April 2014) and 20% (effective from 1 April 2015) were substantively enacted on 2 July 2013. This will reduce the company's future current tax charge accordingly. The deferred tax asset at 31 December 2013 has been calculated based on the rates of 20% substantively enacted at the balance sheet date.
