STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give true and fair view of the state of affairs of the company and of profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- * Select suitable accounting policies and then apply them consistently;
- * Make judgements and estimates that are reasonable and prudent;
- * Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the compny and to enable them to ensure that the financial statements comply with the Companies Act 1975. They are also responsible for safeguarding the assests of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

NOTES TO THE FINANCIAL STATEMENTS . Year ended 31st March 1995

ACCOUNTING POLICIES

a) Accounting convention The financial statements are prepared under the historical cost convention.

Although the company has not generated any turnover over the last two years due to the economic recession, the directors have obtained new contracts since the balance sheet date which they believe will return the company to profitability. Included in current liabilities is a loan of £6,199 from the directors who have indicated their intention not to withdraw funds until such time as funds permit. Accordingly the financial statements have been prepared on the going concern basis.

Depreciation

b) Depreciation is provided to write off the cost of fixed assests at the following rate: Office furniture and equipment 20% on cost.
