# ntl BOLTON CABLEVISION HOLDING COMPANY STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE ACCOUNTS

Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will
  continue in business; and
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ntl BOLTON CABLEVISION HOLDING COMPANY

We have audited the company's accounts for the year ended 31 December 2003, which comprise the Profit and Loss Account, Statement of Total Recognised Gains and Losses, Balance Sheet, and the related notes 1 to 11. These accounts have been prepared on the basis of the accounting policies set out therein.

This report is made solely to the company's member, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's member those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's member as a body, for our audit work, for this report, or for the opinions we have formed.

#### Respective responsibilities of directors and auditors

As described in the Statement of Directors' Responsibilities the company's directors are responsible for the preparation of the accounts in accordance with United Kingdom law and accounting standards.

Our responsibility is to audit the accounts in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the accounts give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the accounts, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

## Basis of audit opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the accounts, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

#### **Opinion**

In our opinion the accounts give a true and fair view of the state of affairs of the company as at 31 December 2003 and of its result for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes to the Accounts for the year ended 31 December 2003

# 1 Accounting policies

#### Fundamental accounting concept

The accounts have been prepared on the going concern basis because the ultimate parent undertaking has given the necessary assurances such that sufficient resources will be made available for the foreseeable future so that the company can meet its liabilities as and when they fall due.

#### Accounting convention

The accounts are prepared under the historical cost convention, in accordance with applicable United Kingdom accounting standards.

#### Group accounts

The company has taken advantage of the exemption from preparing group accounts afforded by Section 228 of the Companies Act 1985 because it is a wholly owned subsidiary of another company incorporated in Great Britain which prepares group accounts (see note 11).

#### Deferred taxation

Deferred taxation is recognised in respect of all timing differences that have originated, but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax, with the following exceptions:

- (a) provision is made for tax on gains arising from the revaluation (and similar fair value adjustments) of fixed assets, and gains on disposal of fixed assets that have been rolled over into replacement assets, only to the extent that, at the balance sheet date, there is a binding agreement to dispose of the assets concerned. However, no provision is made where, on the basis of all available evidence at the balance sheet date, it is more likely than not that the taxable gain will be rolled over into replacement assets and charged to tax only when the replacement assets are sold;
- (b) provision is made for deferred tax that would arise on remittance of the retained earnings of overseas subsidiaries, associates and joint ventures only to the extent that, at the balance sheet date, dividends have been accrued as receivable; and
- (c) deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

#### Investments

Investments are recorded at cost, less any provision for impairment.

## Cash flow statement

The company has taken advantage of the exemption under FRS 1 (revised) not to prepare a cash flow statement as it is a subsidiary which is at least 90% controlled by the ultimate parent undertaking (see note 11).

Notes to the Accounts

for the year ended 31 December 2003

## 2 Profit and loss account

The directors' and auditors' remuneration is paid by ntl Group Limited and disclosed in the accounts of NTL (UK) Group, Inc.

ntl Group Limited, a fellow group undertaking, employs most of the employees of the NTL Group. Details of staff numbers and staff costs for the group are disclosed in the accounts of ntl Group Limited. The company does not have any directly employed associates.

#### 3 Taxation

# (a) Tax on loss on ordinary activities The tax charge is made up as follows: 2003 2002 £'000 £'000 Current tax charge: Current tax on income for the period Deferred tax: Origination and reversal of timing differences Total tax charge on loss on ordinary activities (b) Factors affecting current tax charge The difference between the effective statutory rate and the actual current tax charge is reconciled as follows: 2003 2002 £'000 £'000 Loss on ordinary activities before tax Loss on ordinary activities multiplied by the applicable statutory rate 30% (2002 - 30%) Other items Total current tax charge
