#### Bankers:

Barclays Level 27, 1 Churchill Place London E14 5HP

#### Solicitors:

Bates Wells Braithwaite 10 Queen Street Place London EC4R 1BE

The trustees present their annual report together with the financial statements and auditor's report of the charitable company for the period from 1 September 2015 to 31 August 2016. The annual report serves the purposes of both a trustees' report, and a directors' report under company law.

#### **Activities of Include**

The principal activity of Include during the period under review was that of providing education & multi-disciplinary support to young people excluded from mainstream education in Local Authority Boroughs across the country. These services, primarily delivered through independent schools, are provided in partnership with the local education authorities and the Local Authority Boroughs. We also provide in school services, and play a significant role in promoting behavior improvement & academic progression through multi-disciplinary practice.

#### Financial review

Delivered through Include Independent schools - a national network of six independent schools, we provide full-time primary & secondary & post 16 alternative education to young people aged 4 to 18 years-old in England and Wales. We provide support to vulnerable young people with challenging behaviors to help them realise their full potential, achieve academic and vocational targets, and progress into education, training and employment.

As an Alternative Education provider (AP) Include tackles the social, behavioral or emotional barriers that may be preventing young people from achieving their full potential. It enables young people to achieve their academic and vocational targets within a supportive and outcomesfocused environment.

Working with over 500 young people annually Include operates nationally. Working in partnerships with local authorities, schools and investment partners, Include now has six registered independent schools, following the closure of Include Salisbury:

Provision	Inspection Date	Age range	Outcome
Include Oxfordshire	February 2013	13 -16 years old	Good
Include Thames Valley	February 2015	· 13-16 years old	Good
Include Newark	December 2015	14-18 years old	Good
Include Bristol	April 2016	14-19 years old	Good
Include Suffolk	March 2017	4 - 11 years old	Requires improvement
Include Norfolk	May 2017	13-16 years old	Awaiting outcome

At the time of the Ofsted inspection Include Suffolk was transitioning to a model to provide increased focus and investiture in the quality of Teaching and Learning. Transition progress was reported as being excellent as was the assessment of students Special Educational Needs since September 2016 with the introduction of a SENCO to drive this aspect to better meet needs. However, delays in agreeing the contract renewal with the local authority, which resulted in some key staff leaving, and subsequent issues with the quality of management hampered progress. A school improvement plan has been implemented and the trustees are closely monitoring progress.

Schools are small supportive environments with teaching ratios of 1:2 in primary and 1:4 in secondary. Include work to an evidence-based cognitive behavioral approach with a focus on social care practice to achieve sustainable behavioral change.

## Financial review (continued)

Staff are trained in Supporting Positive interventions in Education (SPINE) and also receive comprehensive core training.

Include offers a full national curriculum

Catch22 Charity Limited is the sole member of Include.

The combined Catch22 group (of which Include is a part) had income for the year to 31 August 2016 of £46.8m (17 months to 31 August 2015: £89.7m) and had unrestricted reserves of over £10.3m at 31 August 2016 (2015: £10.1m). Include therefore has an extremely sound financial base as part of the Catch22 group.

#### The Wider Catch22 Education Offer

Catch22 provides young people aged 4-18 with alternative education so they can progress and succeed in sustained education or employment. It uses high quality teaching and learning based on effective relationships to enable the achievement of life skills and meaningful qualifications.

Catch22 was approved as an Academy Sponsor in February 2014. The Catch22 Multi Academies Trust focuses on learners excluded from mainstream education who can benefit from small, supportive alternative education centers

Include outcomes for learners 2015/16:

- 71% of learners progressed to positive destinations
- 77% of school leaver progressed into further education, training or employment
- 53% of learners left with at least one GCSE
- 28% of learners achieved both a Maths and English GCSE.

#### Income

The total income for Include in 2015/16 was £7,611k compared with £6,299k for 2014/15, as the number of young people we worked with increased and some price increases were agreed as contracts were renewed and Include implemented the Catch22 'Blueprint' for 'best in class' alternative provision.

# **Expenditure**

Expenditure on charitable activities for 2015/16 was £7,840k compared with £6,421 for 2014/15.

Overall expenditure exceeded income for the year by £228k (2015: £122k), which related to two key areas:

Include Salisbury – historically we have not been able to secure enough referrals of young
people from the relevant local authorities to make this school financially viable and it
therefore made a loss for the year. Regrettably, the trustees took the decision to close this
school with effect from 31 August 2016 as the charity could not continue to absorb the
annual losses incurred on this school.

## Financial review (continued)

## **Expenditure (continued)**

 Include Northampton – we invested heavily in agency supply staff and new premises and improvements, in order to continue to meet the needs of the young people in the school and to maintain continuity of provision up to the opening of a new free school, to which the young people will transfer, in May 2017 within the Catch22 Multi Academies Trust.

#### **Future Plans**

As well as the closure of Include Salisbury and the transfer of the young people in the Include Northampton school to the new free school, the trustees also plan to transfer all of the other Include schools to the parent charity, Catch22 Charity Limited, during 2016/17. The trustees believe that the financial stability provided by Catch22, the administrative efficiencies that can be generated and the improved ability to link the young people with the wider services provided by Catch22 will all increase the benefit available to the young people the charity works with.

#### Reserves

The Finance and Business Administration Committee of the parent charity, Catch22, conducts an annual review of the level of consolidated unrestricted reserves in the general fund by considering risks associated with the various income streams, expenditure plans and balance sheet items. This enables an estimate to be made of the level of reserves that are sufficient:

- to allow time for re-organisation in the event of a downturn in income or asset values
- to protect ongoing work programmes
- to allow the group of charities to meet its objectives.

Incudes' reserves are considered as part of the group of charities rather than in isolation, particularly in view of the intention to transfer the schools to Catch22 during 2016/17. The free reserves of the Catch22 group of £3.2m (2015: £3.1m) are considered by the trustees to be adequate as at 31st August 2016.

The general reserves of Include at 31st August 2016 are (£133k) (2015: £96k)

As explained above, following the action taken to close Include Salisbury and the fact that the costs incurred specifically to support Include Northampton should not recur, the trustees are confident that a surplus will be generated in 2016/17 that will be sufficient to return the charity to a positive reserves position.

#### **Financial Risks**

#### Market risk

The Charity has no exposure to market risk.

# Structure, Governance and Management

# **Financial Risks (continued)**

#### Credit risk

Debtor balances are mainly exposed to credit risk in relation to money due from commissioners in relation to its delivery of services. The vast majority of these commissioners have proved to be extremely credit worthy. Nevertheless we operate a proactive credit control system designed to ensure payment is received quickly and that problems are identified as early as possible and the appropriate action is taken. The maximum exposure to credit risk is represented by the carrying

amount of each financial asset in the balance sheet.

#### Foreign Exchange Risk

The Charity has no significant exposure to foreign exchange risk.

#### **Structure**

Include is a company limited by guarantee, and was registered as a charity in July 1990.

Its objects, as stated in its Memorandum of Association, are:

- -To advance the education of the public by all charitable means.
- -To further the formal and informal education of the public particularly those up to the age of 18 years by providing an educational environment instruction and teaching within a context of spiritual truths and moral values.
- -To promote the establishment and running of schools, colleges, courses, pastoral and personal training, counselling colloquia and supportive networks particularly those dedicated to the whole development of the child's potential personally, socially, academically, spiritually, economically and with due reference to the employability, skills enhancement, family relationships and other such supportive groupings.

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

Catch22 Charity Limited became the sole member of Include on 1st December 2013, following an acquisition from the previous parent company CfBT Education Trust. The governance and management of Include passed to Catch22 on this date.

#### Trustees who served during the year:

Mr Bruce Noble (resigned 9 January 2017)

Mr Chris Wright

Ms Nicola Brauer (resigned 17 January 2017)

Ms Fran Pollard (appointed 17 January 2017)

## **Trustees' Annual Report (continued)**

#### Governance

The role of the Include board is to ensure that Include's strategy is translated into delivery plans and to ensure that the schools are resourced and well managed to achieve clear academic and personal outcomes for young people.

The board will ensure OFSTED standards are met and that the education delivery meets legal and regulatory requirements and young people make progress.

The Include board meets termly. Audit and Remuneration committees are delegated to Catch22 boards.

The Include board reports progress four times a year to the Catch22 Board.

# Trustees' responsibilities

The trustees (who are also directors of Include for the purposes of Company Law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice.)

Company law requires trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charitable company and of the outgoing resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

# **Trustees' Annual Report (continued)**

# Valuing our Trustees – recruitment, induction and ongoing training

The Catch 22's Governance and Remuneration Committee oversees the recruitment of Trustees to the board and undertakes a periodic skills audit of the Board. Applications for Trusteeship are sought through open advertisement, use of a specialist agency and personal contact. Applicants are assessed against a trustee job description and shortlisted candidates are interviewed by a panel of Trustees and appointed by the Trustee Board. Trustees are normally appointed for four years and may be reappointed for a further four years subject to agreement of the Board.

New Trustees are provided with induction meetings with key staff and are given a detailed governance pack. Arrangements are made for Trustees to visit Include projects and services.

Trustees will receive relevant information, and presentations on aspects of Incudes' work and on matters affecting the voluntary sector.

#### Disclosure of information to auditors

- So far as the Trustees are aware, there is no relevant audit information of which the charitable company's auditors are unaware, and
- Each Trustee has taken all the steps that ought to have taken as a Director in order to make themselves aware of any relevant audit information and to establish that the Charity's auditors are aware of that information.

## Risk management

Include does not have its own audit committee but links into the risk management structure of its parent company (Catch22 Charity Limited). The trustees have in place a risk management process. The process identifies the types of risks the charity faces, prioritises them in terms of likelihood of occurrence and potential impact, identifies the means of managing these risks and monitors how they are managed.

Development and review of the risk management arrangements are the responsibility of the Audit Committee.

The key risk currently facing the charity is the successful transfer of its school's to Catch22.

# **Reserves policy**

The company's reserves policy is to retain sufficient funds to ensure the smooth running of day to day operations and make reasonable provisions for replacement of assets

The level of reserves will vary each year and will be determined by the board based on levels of growth achieved and risks identified at that time.

The board will agree with Catch22 Charity Limited its use of reserves.

# **Trustees' Annual Report (continued)**

# **Auditors**

Kingston Smith LLP were appointed as auditors and have expressed their willingness to continue in office and a resolution to re-appoint them will be proposed at the annual general meeting.

Signed on behalf of the Board of Trustees

Chris Wright Trustee

26 May 2017

## **Auditors Report**

#### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF INCLUDE

We have audited the financial statements of Include for the period ended 31 August 2016 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102, the Financial Reporting Standard applicable in the UK and Ireland.

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to any party other than the charitable company and charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### Respective responsibilities of trustees and auditor

As explained more fully in the Trustees' Responsibilities Statement the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

#### Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charitable company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition we read all the financial and non-financial information in the Trustees' Annual Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

#### **Opinion on financial statements**

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2016 and of its incoming resources and application of resources, including its income and expenditure, for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Trustees' Annual Report for the financial period for which the financial statements are prepared is consistent with the financial statements.

# Auditors report (continued)

#### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF INCLUDE

### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit: or

#### NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED 31 AUGUST 2016

#### 1. Accounting policies

Include is a charitable company, limited by guarantee, incorporated in England and Wales and registered with the Charity Commission. The registered office is 27 Pear Tree Street, London EC1V 3AG.

#### Basis of preparation

The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). The company is a public benefit entity for the purposes of FRS 102 and a registered charity established as a company limited by guarantee and therefore has also prepared its financial statements in accordance with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (the FRS 102 Charities SORP) and the Companies Act 2006.

FRS 102 has been adopted for the first time when preparing these financial statements. The transition date to FRS 102 was 1 September 2014 and the last financial statements prepared under the previous financial reporting framework were prepared for the year ended 31 August 2015. An explanation of how the transition has affected the reported financial position and financial performance is provided in note 17 to the financial statements.

#### Going concern

The trustees have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charitable company to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. In particular, the trusts have considered the charitable company's forecast and projections. At 31 August 2016, the charity had net liabilities of £132,547, which include a creditor of £549,953 due to its parent undertaking, Catch 22 Charity Limited. The ability of the charitable company to trade relies on the continued support of Catch 22 Charity Limited, to enable the charitable company to pay its debts as and when they fall due. Catch 22 have confirmed that they will not seek repayment of these balances and it will continue to support the charitable company, as required, to allow it to continue as a going concern for a period of at least 12 months from the date of approval of these financial statements. Because of the availability of support, the trustees believe that it is appropriate to prepare the financial statements on a going concern basis. After making enquiries the trustees have concluded that there is a reasonable expectation that the charitable company has adequate resources to continue in operational existence for the foreseeable future. The charitable company therefore continues to adopt the going concern basis in preparing its financial statements.

The financial statements are prepared in sterling, which is the functional currency of the charitable company. Monetary amounts are rounded to the nearest pound. A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below:

#### Income

All income is recognised when there is entitlement to the funds, the receipt is probable and the amount can be measured reliably. The following accounting policies are applied to income.

#### Grants and fees

Where contract and grant funding is subject to specific performance conditions, the income is recognised as earned (as the related services are provided or outcomes delivered). Any amounts received in excess of what has been earned by the year end are included within deferred income in current liabilities. Other grant income is recognised where there is entitlement, receipt is probable and the amount can be measured with sufficient reliability.

#### Donations

Donations and all other receipts from fundraising are reported gross and are accounted for on a receivable basis. The related fundraising costs are reported in costs of raising funds.

#### Investment Income

Investment income is accounted for when receivable and includes the related tax recoverable.

#### Expenditure

Liabilities are recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefit will be required in settlement and the amount of the obligations can be measured reliably. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. The following accounting policies area applied to expenditure.

#### Allocation of overhead and support costs

Overhead, support and governance costs are allocated between the cost of raising funds and charitable activities. Overhead, support and governance costs relating to charitable activities have been apportioned between activities.

#### Governance costs

Governance costs are included within support costs and consist of trustees' expenses and annual audit and non-audit fees.

#### **Financial Instruments**

Cash and cash equivalents

Cash and cash equivalents include cash at banks and in hand and short term deposits with a maturity date of three months or less.

#### Debtors and creditors

Debtors and creditors receivable or payable within one year of the reporting date are carried at their transactions price. Debtors and creditors that are recoverable or payable in more than one year and not subject to a market rate of interest are measured at the present value of the expected

#### NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED 31 AUGUST 2016

#### 1. Accounting policies (continued)

#### Financial Instruments (continued)

Debtors and creditors (continued) future receipts or payments discounted at a market rate of interest.

#### **Fund Accounting**

The group maintains various types of funds as follows:

#### Restricted funds

Restricted funds represent grant, donations and legacies received which are allocated by the donor for specific purposes.

#### Unrestricted funds

Revaluation reserves relate to the measurement of the fair value of certain freehold property. General unrestricted funds represent funds which are expendable at the discretion of the trustees in the furtherance of the objects of the Charity

# Critical accounting estimates and areas of judgement

In preparing financial statements, it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements. In the view of the Trustees in applying the accounting policies adopted, no judgements were required that have a significant effect on the amounts recognised in the financial statements nor do any estimates or assumptions made carry a significant risk of material adjustment in the next financial year.

#### **Support Costs**

The group operates a shared services approach with the majority of support services being provided by Catch22 Charity Limited, the parent company, to the other companies within the group. Support costs incurred directly by other companies within the group, mainly relating to management and administration, are included within the direct costs of the activity carried out by that company. An analysis of the cost of support services (which are included in the charitable expenditure above) provided by Catch22 Charity Limited to the group is set out below. Costs have been allocated to charitable activities as a proportion of the direct expenditure incurred on that activity.

4 Analysis of support costs	Educational	Total .	Total
	operations	2016	2015
•	£	£	£
Depreciation	. 27,603	27,603	23,208
Technology IT costs	75,371	75,371	16,351
Premises costs	181,115	181,115	81,824
Other support costs	150,898	150,898	128,597
Governance costs	21,642	21,642	10,800
Total support costs	456,629	456,629	260,780

#### **Restricted Reserves (specific)**

All of the restricted funds relate to Pupil Premium.

#### **Pupil Premium**

The pupil premium is additional funding for publicly funded schools in England to raise the attainment of disadvantaged pupils of all abilities and to close the gaps between them and their peers.

#### 14 Ultimate parent charity

The charity's ultimate parent charity is Catch22 Charity Limited. Copies of the consolidated financial statements are available from the Company Secretary of Catch22 Charity Limited, whose registered office is 27 Pear Tree Street, London EC1V 3AG.

#### 15 Related Party Transactions

The charity has taken advantage of the exemption allowed by Financial Reporting Standard 102, "Related Party Transactions", not to disclose any transactions with entities that are included in the consolidated Financial Statements of Catch 22 Charity Ltd.

#### 16 Events after the end of the reporting period

There were no material events after the balance sheet date.

#### 17 Transition to FRS 102

This is the first year that the charity has prepared its financial statements under FRS102. The last financial statements prepared under previous UK GAAP were for the year ended 31 August 2015 and the date of transition to FRS 102 was 1 September 2014. The following adjustments have been made in order to comply with the new SORP/FRS 102 which have had no effect on total funds or the income and expenditure but have affected the presentation of certain items on the Statement of Financial Activities.

1) Governance Costs are no longer presented as a separate category of expenditure in the Statement of Financial Activities as they are now regarded as part of support costs which are allocated to the costs of activities undertaken by the charity.
