ABBEYTONE LIMITED NOTES TO THE ACCOUNTS

1 ACCOUNTING POLICIES

1.1 Basis of accounting

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities.

1.2 Depreciation of tangible fixed assets

The tangible fixed assets are stated at cost less depreciation. The general policy is to provide depreciation on fixed assets on a reducing balance basis over their estimated useful lives, beginning with a full year's depreciation in the financial year of acquisition and no depreciation in the year in which the assets are sold or scrapped.

Tangible fixed assets are depreciated as follows:-

Fixtures and fittings

25% per annum

1.3 Stocks

Stocks are valued at the lower of cost and the estimated amount realizable from disposal in the normal course of business. Cost comprises expenditure directly incurred in purchasing the stocks and bringing them to their current condition and location.

1.4 Turnover

Turnover represents the amount receivable for sales and work done, excluding Value Added Tax.

1.5 Deferred taxation

Deferred taxation is not provided for as, in the opinion of the director, no liability will arise in the foreseeable future.

1.6 Hire purchase and leasing

Assets held under hire purchase and finance leases are included under fixed assets at the cost or fair value of the asset. The assets are depreciated over the term of the agreement or useful lives, if shorter. Charges on these agreements and rentals payable under operating leases are allocated to the profit and loss account on a straight-line basis over the term of the agreement.
