Notice of cancellation of shares held by or for a public company

5

Statement of capital (prescribed particulars of rights attached to shares) •

Class of share

ORDINARY 25P

Prescribed particulars

(a) On a vote on a resolution on a show of hands, subject to the Company's Articles of Association, each member entitled to vote on the resolution who is present in person has one vote; every proxy present who has been duly appointed by one or more members entitled to vote on the resolution has one vote, unless he has been duly appointed by more than one member entitled to vote on the resolution and he has been instructed by one or more of those members to vote for the resolution and by one or more others to vote against it, in which case he has one vote for and one vote against the

resolution. For the purposes of the Articles of Association, where a proxy has been allowed, by one or more of the members appointing him, discretion as to how to vote on a resolution, he is treated as if he

has been instructed to vote on that resolution in the way in which he decides to exercise that discretion. On a vote on a resolution on a poll, every member has one vote in respect of each share held by him; all or any of the voting rights of a member may be exercised by one or more duly appointed proxies provided that, where a member appoints more than one proxy, this does not authorise the exercise by the proxies taken together of more extensive voting rights than could be exercised by the member in person.

b) and c)

Subject to the superior rights of any other class or classes of shares that are, or may be, issued by the Company, the rights and restrictions attaching to the Ordinary shares of 25 pence each as regards participation in the profits and assets of the Company shall be as follows:

Income

Any profits which the Company may determine to distribute in respect of any financial year shall be distributed among the holders of the Ordinary Shares pro rata according to the amounts paid up or credited as paid up on the Ordinary Shares held by them.

Capital

The capital and assets of the Company on a winding-up or other return of capital shall be applied in repaying to the holders of shares the amounts paid up or credited as paid up on such Ordinary Shares and subject thereto shall belong to and be distributed according to the number of such Ordinary Shares held by them respectively. d) the Ordinary shares are not redeemable at the option of either the Company or the shareholder.

Prescribed particulars of rights attached to shares

The particulars are:

- a. particulars of any voting rights, including rights that arise only in certain circumstances:
- b. particulars of any rights, as respects dividends, to participate in a distribution;
- c. particulars of any rights, as respects capital, to participate in a distribution (including on winding up); and
- d. whether the shares are to be redeemed or are liable to be redeemed at the option of the company or the shareholder.

A separate table must be used for each class of share.
