This report has been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

By order of the board

JR Kaye Secretary

6 June 2005

DIRECTORS' RESPONSIBILITIES IN THE PREPARATION OF FINANCIAL STATEMENTS

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- a. select suitable accounting policies and then apply them consistently;
- b. make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF FLOWIDEA LIMITED

We have audited the financial statements on pages 5 to 14.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards are set out in the Statement of Directors' Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the other information in the Annual Report, and consider whether it is consistent with the audited financial statements. This other information comprises only the Directors' Report. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies within the financial statements. Our responsibilities do not extend to any other information.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 December 2004 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985. 7

Director Director

ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements have been prepared under the historical cost convention.

INVESTMENTS

Fixed asset investments are stated at cost less provision for diminution in value.

INVESTMENT INCOME

Investment income reflects net dividends received, bank interest received and unlisted investment interest received.

DEFERRED TAXATION

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occured at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements.

CONSOLIDATED FINANCIAL STATEMENTS

The accounts present information about the company as an individual undertaking and not about its group, as the company has taken advantage of the exemption provided by section 248 of the Companies Act 1985 not to prepare group accounts.

The company also received dividends amounting to £1,895,423 (2003: £1,864,852) from Secure Trust Banking Group Plc in the year.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

for the year ended 31 December 2004

17. SUBSEQUENT EVENTS

On 20 January 2005 Flowidea Limited purchased 859,691 shares in Secure Trust Banking Group plc for £2,665,042. In order to finance this transaction, Flowidea Limited were loaned £1,650,000 by Wyler Investments Limited, an associated company, at 1% above base rate and £1,262,664 from Nedbank London. £247,622 of the Nedbank London loan was used to pay back a previous loan from HSBC private bank.

In April 2005, the company paid £950,000 for a shareholding of approximately 10% in Thurleigh (Dartmouth) Limited, a property investment company. The acquisition was financed by the cash resources held by the company which were replenished when a dividend was received in May 2005 from Arbuthnot Banking Group plc.
