## 4. PROGRESS DURING THE PERIOD

Attached at Appendix 1 is our abstract of receipts and payments for the period from 07 January 2014 to 06 July 2014

### Sale of the Business

At the outset of the Administration the company's assets were valued by independent agents Edward Symmons & Partners on both a 'going concern' basis and also a 'limited disposal period' basis. The agents anticipated the following values

	<u>Going Concern</u>	<u>Limited Disposal Period</u>
Garden Centre Equipment	42,000	7,200
Motor Vehicle	2,200	1,600
Stock	130,000	62,000
Goodwill	25,000	-

The estimate with regard to the Goodwill was stated to be highly speculative as the tenancy relating to the premises was thought to be non assignable since the Landlord is owed a considerable sum in respect of back rent

However, an offer was received in the sum of £50,000 in respect of the company's physical assets and an additional deferred consideration for the company's Goodwill which would equate to 4% of the purchasing company's turnover relating to its first 12 months of trade at the Garden Centre

This offer was initially not recommended by the agents as it fell short of the valuation. However numerous claims were made by suppliers in respect of Retention of Title over the stock and many of these proved to be valid claims. A large volume of the stock has subsequently been returned to suppliers

The adverse weather conditions in January 2010 also ruined a considerable portion of the company's outdoor stock. Owing to these factors, the estimated realisable figure which might be achieved by the Administrators in respect of stock was subsequently reduced significantly

The proposed purchaser was willing to take on the liabilities which might arise from further Retention of Title claims and therefore, the agents recommended that the offer should now be accepted

Solicitors were then instructed to prepare the necessary sale agreement however the purchaser changed the proposed terms of payment and therefore the finalisation of the sale was delayed pending further negotiations

During this process, there was further consideration of the company's tenancy agreement which, it was understood, was held in the directors' names on trust for the company. Various third parties had shown an interest in acquiring use of the site and expert advice was sought in relation to the value of the Business Farm Tenancy. Specialist agents advised that they considered the tenancy agreement to have no value however an offer in the sum of £175,000 was received from a third party to purchase the assets and gain an assignment of the tenancy

However, the directors subsequently disputed the fact that the tenancy was held on trust and the landlord, who had been assisting, withdrew support for a potential assignment of the tenancy. These factors scuppered any deal concerning the tenancy, with no other parties interested in purchasing only the assets, it was necessary to return to the initial offer which had been received

Several weeks had passed since the initial offer was received and the purchaser subsequently revised his offer as follows

	£
Stock	30,000
Goodwill	10,000
Equipment and Vehicle	<u>10,000</u>
	<u>50,000</u>

Since the business had been closed for some time by this stage, the value of Goodwill had eroded significantly. Further Retention of Title claims had been agreed which reduced the value of stock available for sale. Therefore, on the advice of the instructed agents, Edward Symmons and Partners, this revised offer was accepted.

The sale completed on 17 June 2010 and the sale proceeds have been received.

#### **Book Debts**

The company's book debt ledger reflected the sum of £2,144.29 owed to the company at the date of our appointment. This relates to eight separate debts each for small amounts. These have been pursued and the sum of £539.54 has been received. Owing to a lack of information available to support the sums owed, no further recoveries are anticipated to be made.

#### **Preference Claim against Directors**

During the course of my investigations, it became apparent that each of the two directors had received £24,000 from the company over an eight month period prior to the Administration. It appeared that these payments could be challenged as 'preference' payments in accordance with Section 239 of the Insolvency Act 1986 and I wrote to the directors accordingly.

They advised however that they had both entered into Individual Voluntary Arrangements owing to their personal financial situations. The Arrangements were approved by the directors' creditors on 26 July 2010 and the Supervisor has admitted our claims in each Arrangement in full. The Arrangements were due to last 5 years and a return of 24p in the £ was expected in the case of Abdul Bharmal and 22p in the £ in the case of Hanif Bharmal.

The sum of £447.72 has been realised in this regard since my last report bringing total realisations to £1,915.06.

Unfortunately, the directors have not been making the required payments into their Arrangements and therefore these have been terminated. We are seeking to establish the directors' future intentions however it is considered likely that they will now both be declared Bankrupt. It appears unlikely that any future recoveries will be made in this respect.

#### **COSTS OF THE ADMINISTRATION**

As previously reported the joint administrators' remuneration is fixed by reference to the time properly given by the joint administrators (as administrators) and the various grades of their staff calculated at the prevailing hourly charge out rates of Begbies Traynor (Central) LLP for attending to matters arising in the administration and, subject to approval detailed below, they will be authorised to draw disbursements, including disbursements for services provided by their firm (defined as Category 2 disbursements in Statement of Insolvency Practice 9), in accordance with their firm's policy, details of which accompanied the *Statement of Proposals of the Joint Administrators for Achieving the Purpose of the Administration pursuant to Paragraph 49 of Schedule B1 to the Insolvency Act 1986 and Rule 2.33 of the Insolvency Rules 1986*.

Please note in particular that the company's books and records are stored with Archive Facilities (Southend) Limited which is associated to partners of Begbies Traynor (Central) LLP. Storage costs incurred in this regard will be classified as Category 2 disbursements. The sum of £565.75 plus VAT has been paid to date in this respect.

The relevant resolutions were approved by Barclays Bank Plc pursuant to Rule 2.106 of the Insolvency Rules 1986

Total time spent to date on this assignment amounts to 300.50 hours at an average composite rate of £185.84 per hour resulting in total time costs to date of £55,845.50. The sum of £19,750 plus VAT has been drawn towards these costs. The following further information as regards time costs and expenses is set out at Appendix 2.

- ☐ Begbies Traynor (Central) LLP's policy for re-charging expenses/disbursements

#### **Legal Fees / Disbursements**

The sum of £5,600.95 plus VAT has been paid to DLA Piper solicitors for their assistance in negotiating with the purchaser and preparing the sale agreement.

A further £1,348 plus VAT has been paid to BTMK Solicitors for their assistance in obtaining the necessary Court order to extend the Administration to allow us to remain in office until the directors' Voluntary Arrangements have been concluded.

#### **Insurance of Assets**

The sum of £1,703.22 has been paid to AUA Insolvency Risk Services Limited in this respect.

## 5. ASSETS THAT REMAIN TO BE REALISED

As detailed above, we are now taking steps to establish whether any further monies will be recoverable in relation to our claims against the directors

## 6. OTHER RELEVANT INFORMATION

Barclays Bank Plc is owed the sum of £540,940 which is secured by way of a fixed and floating charge over the company's assets. The Bank has been paid a distribution of £10,000 under its fixed charge. Since the Bank's charge was created prior to 15 September 2003, no prescribed part will be set aside for the unsecured creditors.

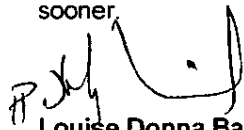

Preferential claims have been received as follows

	£
Redundancy Payments Office	24,477 97
Employees	<u>1,221 82</u>
	<u>25,699.79</u>

Owing to the level of costs which have been incurred, no distribution will be made to the preferential creditors and therefore no monies will be paid to the Bank under its floating charge.

## 7. CONCLUSION

We will report again in approximately six months time or at the conclusion of the administration, whichever is the sooner.

## BEGBIES TRAYNOR CHARGING POLICY

### INTRODUCTION

This note applies where a licensed insolvency practitioner in the firm is acting as an office holder of an insolvent estate and seeks creditor approval to draw remuneration on the basis of the time properly spent in dealing with the case. It also applies where further information is to be provided to creditors regarding the office holder's fees following the passing of a resolution for the office holder to be remunerated on a time cost basis. Best practice guidance<sup>1</sup> requires that such information should be disclosed to those who are responsible for approving remuneration.

In addition, this note applies where creditor approval is sought to make a separate charge by way of expenses or disbursements to recover the cost of facilities provided by the firm and also where payments are to be made to outside parties in which the office holder or his firm or any associate has an interest. Best practice guidance<sup>2</sup> requires that such charges should be disclosed to those who are responsible for approving the office holder's remuneration, together with an explanation of how those charges are calculated.

### OFFICE HOLDER'S FEES IN RESPECT OF THE ADMINISTRATION OF INSOLVENT ESTATES

The office holder has overall responsibility for the administration of the estate. He/she will delegate tasks to members of staff. Such delegation assists the office holder as it allows him/her to deal with the more complex aspects of the case and ensures that work is being carried out at the appropriate level. There are various levels of staff that are employed by the office holder and these appear below.

The firm operates a time recording system which allows staff working on the case along with the office holder to allocate their time to the case. The time is recorded at the individual's hourly rate in force at that time which is detailed below.

### OFFICE HOLDERS EXPENSES IN RESPECT OF THE ADMINISTRATION OF INSOLVENT ESTATES

Best practice guidance classifies expenses into two broad categories:

- *Category 1 expenses (approval not required)* - specific expenditure that is directly related to the case usually referable to an independent external supplier's invoice. All such items are charged to the case as they are incurred.
- *Category 2 expenses (approval required)* - items of incidental expenditure directly incurred on the case which include an element of shared or allocated cost and which are based on a reasonable method of calculation.

(A) The following items of expenditure are charged to the case (subject to approval)

- Internal meeting room usage for the purpose of statutory meetings of creditors may be charged by some offices and is charged at the rate of £100 (London £150) per meeting. External meeting room usage is charged at cost.
- Car mileage is charged at the rate of 45 pence per mile.

- *Expenses which should be treated as Category 2 disbursements (approval required)* – in addition to the 2 categories referred to above, best practice guidance indicates that where payments are made to outside parties in which the office holder or his firm or any associate has an interest these should be treated as Category 2 disbursements. The

following items of expenditure which relate to services provided by entities within the Begbies Traynor Group are to be charged to the case (subject to approval)

- Storage of books and records (when not rechargeable as a *Category 1 expense*) is charged by Archive Facilities (Southend) Limited, an associated company. The rates applying as at the date of this report are: Minimum charge of £40 per quarter for up to three boxes; Four to Two Hundred Boxes charged at £11 per quarter per box; over two hundred boxes are charged at half the aforementioned price, (£5.50 per box per quarter). Mileage for collection of books and records is charged at 55p per mile. Provision of cardboard box charged at £2.75 per box. Where Archive Facilities (Southend) Limited are required to physically pack the books and records, there is a minimum charge of 2 hours at £15 per hour per person required, and at £15 per hour for each hour thereafter. All figures stated are net.
- BTG Asset Consulting may be engaged to undertake valuations and/or disposal of assets. BTG Asset Consulting is a part of Begbies Traynor Group plc and is therefore an associated company. Their charges are based on 15% of realisations or time costs at a Partner rate of £125 per hour and Manager rate of £100 per hour. A separate charge will be levied for any valuations to be provided at a fixed fee of £500 + VAT. Disbursements are charged at cost and mileage is recovered at 40p per mile. All figures stated are net of VAT.
- (B) The following items of expenditure will normally be treated as general office overheads and will not be charged to the case although a charge may be made where the precise cost to the case can be determined because the item satisfies the test of a *Category 1 expense*:
  - Telephone and facsimile
  - Printing and photocopying
  - Stationery

### BEGBIES TRAYNOR CHARGE-OUT RATES

Begbies Traynor is a national firm. The rates charged by the various grades of staff that may work on a case are set nationally, but vary to suit local market conditions. The rates applying to the Southend-on-Sea office are as follows:

	Charge-out Rate (£ per hour)	
Grade of staff	From 01 May 2011	01 July 2008 to 01 May 2011
Partner	495	450
Partner 2	N/A	395

Assistant Manager	270	250

Administrator	185	180
Junior Administrator	160	150

Only where a significant amount of time is spent at one time on a case is a charge made for support staff. Time is recorded in units of 0.10 of an hour (i.e. 6 minute units).
