Pearson International Finance Limited

DIRECTORS' REPORT

The directors present their report and the financial statements of Pearson International Finance Limited (the 'company') for the year ended 31 December 2020.

The company has taken exemption from preparing a Strategic Report in accordance with s414B of the Companies Act 2006 relating to small companies.

Dividends

In the year, a dividend of £nil (2019 : £nil) on the ordinary shares was paid.

Going concern

The directors have considered the impact of the COVID-19 pandemic on the business and on trading in future periods. The directors are of the opinion that through a combination of the mitigating actions that the company has put in place and the continued financial support provided by the ultimate parent company, Pearson plc, preparing the financial statements on the going concern basis is appropriate.

On the basis of the position of the overall Pearson plc group the company believes it will be able to continue for the foreseeable future. The Pearson plc group has also reassessed its funding requirements considering the impact of the COVID-19 pandemic on the business. The impact has been modelled under several scenarios to ensure that the likelihood of a prolonged period of disruption has been appropriately considered in assessing the availability of funding to the group and the ability of the group to comply with its banking covenants. Based on this modelling and a review of historical trends in working capital requirements and forecast balance sheets for the next 12 months, the group believes that it will comply with its banking covenants and has sufficient funds available for the group's present requirements.

The directors who held office during the year and up to the date of signing the financial statements are given below :

S K M Johnson (resigned 24 April 2020)

A J Midgley (resigned 31 July 2020)

Qualifying third party indemnity provisions and liability insurance

As permitted by the Articles of Association, the directors have the benefit of an indemnity which is a qualifying third party indemnity provision as defined by section 234 of the Companies Act 2006. The indemnity was in force throughout the last financial year and is currently in force. Pearson Management Services Limited, a related party, also purchased and maintained throughout the financial year directors' and officers' liability insurance in respect of the company and its directors and officers.

Financial risk management

From the perspective of the company, financial risk management is integrated with the financial risk management of the consolidated financial statements of Pearson plc (the 'group') and is not managed separately. Accordingly, the financial risk management of Pearson plc, which includes that of the company, is discussed in the group's annual report which does not form part of this report.

DIRECTORS' REPORT (continued)

Statement of directors' responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law, the directors have prepared the financial statements in accordance with United Kingdom Accounting Standards, comprising Financial Reporting Standard 101 'Reduced Disclosure Framework', and applicable law (United Kingdom Generally Accepted Accounting Practice).

Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to :

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards, including FRS 101, have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Brexit

The UK exited the European Union (EU) on 31 January 2020. Given the prolonged negotiation process during the latter part of 2020, we continued our work to identify and mitigate any potential impact on our principal risks, including supply chain and operations, tax and data privacy, workforce mobility and more. By virtue of that analysis and mitigation planning, we have not seen any impact to the company operations or colleagues because of Brexit, with no material adverse impact on financial results.
