# Accountants' report to the board of directors on the unaudited abbreviated accounts of Anders + Kern U.K. Limited

In accordance with the engagement letter dated 29 October 2012 and in order to assist you to fulfil your duties under the Companies Act 2006, we have prepared for your approval the abbreviated accounts of the company for the year ended 31 March 2016 which comprise the abbreviated balance sheet, principal accounting policies and the related notes from the company's accounting records and from information and explanations you have given to us.

This report is made to the Board of Directors of Anders + Kern U.K. Limited, as a body, in accordance with the terms of our engagement letter dated 29 October 2012. Our work has been undertaken solely to prepare for your approval the abbreviated accounts of Anders + Kern U.K. Limited and state those matters that we have agreed to state to the Board of Directors of Anders + Kern U.K. Limited, as a body, in this report in accordance with the requirements of the Institute of Chartered Accountants in England and Wales, as detailed at [www.icaew.com](http://www.icaew.com). To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Anders + Kern U.K. Limited and its Board of Directors as a body for our work or for this report.

It is your duty to ensure that Anders + Kern U.K. Limited has kept adequate accounting records and to prepare statutory accounts that give a true and fair view. You consider that Anders + Kern U.K. Limited is exempt from the statutory audit requirement for the year ended 31 March 2016.

We have not been instructed to carry out an audit or a review of the abbreviated accounts of Anders + Kern U.K. Limited. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the abbreviated accounts.

**Churchgate Accountants Limited**

12 July 2016

# Accounting policies

## Basis of accounting

The financial statements have been prepared under the historical cost convention as modified by the revaluation of Freehold property and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

## Going concern

No material uncertainties that may cast significant doubt about the ability of the company to continue as a going concern have been identified by the directors.

## Consolidation

The company is a subsidiary of a parent company subject to the small companies regime. The company and its subsidiary comprise a small group. The parent company is therefore not required to and has not chosen to prepare group accounts.

## Turnover

Turnover is the total amount receivable by the company for goods supplied and services provided during the year, excluding VAT and trade discounts.

## Tangible fixed assets and depreciation

Depreciation is calculated to write down the cost or valuation less estimated residual value of all tangible fixed assets over their expected useful lives. The rates generally applicable are:-

Freehold properties	2% straight line
Plant & equipment	25% straight line
Motor vehicles	25% straight line
Fixtures & fittings	20% straight line
Office equipment	20% straight line
Leasehold property	Period of lease

An amount equal to the excess of the annual depreciation charge on revalued assets over the notional historical cost depreciation charge on those assets is transferred annually from the revaluation reserve to the profit and loss reserve.

## Stocks

Stocks are stated at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

## Accounting policies (continued)

### Deferred taxation

Deferred tax is recognised on all timing differences where the transactions or events that give the company an obligation to pay more tax in the future, or a right to pay less tax in the future, have occurred by the balance sheet date. Deferred tax assets are recognised when it is more likely than not that they will be recovered. Deferred tax is measured on an undiscounted basis using rates of tax that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is not provided on timing differences arising from the revaluation of fixed assets in the financial statements.

### Foreign currency

Transactions in foreign currencies are translated at the exchange rate ruling at the date of the transaction. Monetary assets and liabilities in foreign currencies are translated at the rates of exchange ruling at the balance sheet date. All other exchange differences are dealt with through the profit and loss account.

### Retirement benefits

#### Defined contribution scheme

The pension costs charged against profits represent the amount of the contributions payable to the scheme in respect of the accounting period.

### Leased assets

Assets held under hire purchase contracts are capitalised in the balance sheet and depreciated over their expected useful lives. The interest element of hire purchase payments represents a constant proportion of the capital balance outstanding and is charged to the profit and loss account over the period of the agreement.

All other leases are regarded as operating leases and the payments made under them are charged to the profit and loss account on a straight line basis over the term of the lease.

## Accounting policies (continued)

### Financial instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the asset of the entity after deducting all of the financial liabilities.

Where the contractual obligations of financial instruments (including share capital) are equivalent to a similar debt instrument, those financial instruments are classed as financial liabilities. Financial liabilities are presented as such in the balance sheet. Finance costs and gains or losses relating to financial liabilities are included in the profit and loss account. Finance costs are calculated so as to produce a constant rate of return on the outstanding liability.

Where the contractual terms of share capital do not have any terms meeting the definition of a financial liability then this is classed as an equity instrument. Dividends and distributions relating to equity instruments are debited directly to equity.

## Unaudited abbreviated balance sheet

	Note	2016	2015
		£	£
<b>Fixed assets</b>

The accompanying accounting policies and notes form an integral part of these abbreviated accounts.

## Unaudited abbreviated balance sheet (continued)

The directors are satisfied that for the year ending 31 March 2016 the company was entitled to exemption under section 477 of the Companies Act 2006 relating to small companies, and that the members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476 of the Act.

The directors acknowledge their responsibilities for:

- i) ensuring that the company keeps proper accounting records which comply with section 386 of the Act, and
- ii) preparing abbreviated accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year in accordance with the requirements of section 394 and 395, and which otherwise comply with the requirements of the Act relating to abbreviated accounts, so far as applicable to the company.

These abbreviated accounts have been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

The abbreviated accounts were approved by the directors and authorised for issue on 12 July 2016, and are signed on their behalf by:

Mr D G Kuziw, Director

The accompanying accounting policies and notes form an integral part of these abbreviated accounts.

# Notes to the unaudited abbreviated accounts
