Assets

Intercompany debts

The sole asset listed on the declaration of solvency, sworn by the directors prior to the commencement of the liquidation was an intercompany debt of £100 due from Smiths Group PLC, the parent company. The intercompany debt will be distributed by set off prior to the conclusion of the liquidation.

Other assets

The Company had no other known assets Searches of the Index of Proprietors Names at HM Land Registry (in the Company's present and former names) showed that the Company has two small strips of land registered in its name. Smiths Group PLC's legal team are investigating to establish the legal ownership of the land

Creditors

A notice to creditors to prove their claims in the liquidation was advertised in The Times newspaper on 28 July 2010 No creditors were forthcoming as a result of this advertisement

Corporation tax

All pre-liquidation corporation tax matters were handled by Smiths Group PLC who prepared and submitted all outstanding returns up to the date of the commencement of the liquidation to HM Revenue & Customs ("HMRC")

At the request of the Joint Liquidators, HMRC subsequently confirmed that there were no corporation tax liabilities outstanding upon the Company, that it would not raise enquiries into any pre or post liquidation periods and that it had no objection to the liquidators calling a final meeting of members to conclude the liquidation

A similar assurance was sought and received from HMRC in respect of PAYE and VAT

Distributions

There have been no distributions during the period

Liquidators' remuneration

A written resolution was passed on 15 July 2010 that the remuneration of the Joint Liquidators be fixed at their normal charging rates according to the time properly spent by them and members of their staff in attending to matters arising in the winding up of the Company

In the event, the liquidators' remuneration has been paid by Smiths Group PLC and accordingly no detailed analysis is included in this report
