#### 2. GENERAL ADMINISTRATION

### **Statutory information**

Statutory information may be found at Appendix 1.

The Joint Liquidators are required to meet a considerable number of statutory and regulatory obligations. Whilst many of these tasks do not have a direct benefit in enhancing realisations for the insolvent estate, they assist in the efficient and compliant progressing of the administration of the case, which ensures that work is carried out to high professional standards. A detailed list of these tasks may be found in the attached appendices.

### 3. REALISATION OF ASSETS

Detailed below is key information about asset realisation and strategy, however, more details about the work undertaken may be found in the attached appendices. The Joint Liquidators formulated and worked through a realisation strategy that sought to maximise realisations net of costs. The financial benefit of those efforts is described further below.

### Transactions with connected parties – Goodwill / IPR / Plant & Machinery

As previously reported, a sale to a connected party has occurred following my appointment.

- The transaction was completed on 23 November 2015, on the advice of independent valuation agents, Kumar and Company Limited.
- The sale, comprised the following assets:

Goodwill / IPR - £17,303 Plant & Machinery - £36,350

- The sale consideration totalled £53,653, all of which was received on completion.
- The purchaser was AKE International Limited ('AKEI').
- The purchaser is connected to the Company by reason of a common director, and being the 100% shareholder of the Company.
- As far as the Joint Liquidators are aware, the purchaser was not independently advised.

#### **Book Debts**

As previously reported, total recoveries of £68,287.64 have been made in respect of the Company's book debt ledger, which had an estimated realisable value of £70,891. This was slightly less than originally anticipated, due to currency exchange differences.

No further debtor balances have been identified for recovery.

#### AKE Prime - Trade Debtor

Following my appointment, a balance of £25,291.02 was identified as being due to the Company from AKE Prime, an associated business within the wider AKE group structure. This balance was settled in full by AKEI on behalf of AKE Prime.

### **Other Debtors and Prepayments**

Sundry refunds totalling £885.39 have been recovered to date. No further balances have been identified as recoverable.

### **Petty Cash and Cash at Bank**

Balances totalling £209,202.57 were recovered in respect of the Company's petty cash, and bank accounts.

### **Refund of Bank Charges**

Funds of £143.83 have been received during the relevant period.

### Intra Group Balances - AKE Special Risks Limited

The Company's books and records indicated that a balance of £25,447 was due to the Company from AKE Special Risks Limited, an associated Company by way of a common director. This was settled in full by AKEI on behalf of AKE Special Risks Limited.

### **Bank Interest Gross**

Bank Interest in the sum of £1,174.98 has been received to date, of which £120.17 was received in the relevant period.

#### 4. CREDITORS

Irrespective of whether sufficient realisations are achieved to pay a dividend to creditors, the Joint Liquidators have had to carry out key tasks which are detailed in the attached appendices. The following sections explain the anticipated outcomes to creditors and any distributions paid.

The following charges are registered against the Company.

Multilink Limited ('Multilink'), an associated company being the Company's ultimate parent, holds a debenture comprising fixed and floating charges covering all the property or undertaking of the company. This was dated 29 July 2014 and registered at Companies House on 4 August 2014.

Liabilities of £150,596 were identified as being captured under this charge at the date of liquidation. A distribution in the sum of £150,596 was made to Multilink, of which £17,303 has been made under their fixed charge, and £133,293 under their floating charge.

National Westminster Bank plc ('Natwest') hold two charges as follows:

A debenture comprising fixed and floating charges covering all the property or undertaking of the company. This was dated 29 July 2014 and registered at Companies House on 4 August 2014.

A charge of deposit over all monies due or to become due from the Company to Natwest on any account whatsoever, dated 22 June 2011 and registered on 28 June 2011.

No liabilities were due to Natwest at the date of my appointment.

#### **Preferential creditors**

Preferential creditor claims in respect of employees' unpaid wages and holiday pay were estimated to be £29,096.61 in accordance with the Director's Statement of Affairs.

Preferential claims were received and agreed in the sum of £21,351.68. A preferential dividend of 100p in the £ was declared and made on 4 April 2016.

### **Unsecured creditors**

The unsecured creditors as per the statement of affairs totalled £508,721.90. Claims totalling £563,684.90 have been received, of which £435,155.18 have been agreed.

### **Dividend prospects**

A first interim unsecured dividend of 5p in the £ was declared on 14 July 2016, and payment was subsequently made to creditors on 7 August 2016.

It is anticipated that a further distribution in the region of 13p in the £ will be made to unsecured creditors.

Where a floating charge is created after 15 September 2003 a prescribed part of the company's net property shall be made available to unsecured creditors.

The Company's net property after the settlement, in full, of the Secured and Preferential creditors is significantly in excess of the prescribed minimum, and accordingly, the Prescribed Part will not apply in this matter.

### 5. FEES AND EXPENSES

### **Pre-Appointment Costs**

### Fixed fee agreed with the Directors and ratified by members and creditors

The creditors authorised the fee of £15,000 plus VAT for assisting the directors in placing the company into liquidation and with preparing the Statement of Affairs on 3 November 2015.

The fee for assisting with the Statement of Affairs and placing the company into liquidation was paid from first realisations on appointment and is shown in the enclosed receipts and payments account.

### The Joint Liquidators' fees

It is the firm's practice to ensure that work is conducted by the appropriate staff member at the appropriate level of experience. Junior members of staff deal with the day to day administration on cases and a manager and (director/partner) then oversees the work undertaken. Where the issues are complex and litigious, the work will be closely supervised or undertaken by a (senior) manager or (director/partner).

The basis of the Joint Liquidators' fees was approved by creditors on 3 November 2015 in accordance with the following:

That the Joint Liquidators' remuneration be fixed by reference to the time properly given by them and their staff in attending to matters arising in the liquidation and that they also be authorised to pay Category 2 disbursements as defined in the Statement of Insolvency Practice 9, at the rates chargeable from time to time as set out in CVR Global LLP's charging and disbursements policy, to be paid from the assets of the Company without requiring further authority from Creditors. The estimate of the fee is £34,263.50.

Further fees of £10,000 in excess of the fees estimate were approved by a resolution of creditors on 21 December 2016.

The time costs for the period 3 November 2019 to 2 November 2020 total £10,615.00, representing 42.10 hours at an average hourly rate of £252.14. The time costs for the period are detailed in the attached appendices.

The total time costs during the period of appointment amount to £82,847.00 representing 319.10 hours at an average hourly rate of £259.63 and a comparison between the original estimate and time costs to date is given in the attached appendices.

The sum of £44,000 plus VAT has been drawn on account of time costs incurred. The time costs for the period are detailed in the attached appendices.

Having regard for the costs that are likely to be incurred in bringing this Liquidation to a close, the Joint Liquidators consider that the original fees estimate has been exceeded.

The main reasons why the fee estimate has been exceeded are as follows:

- Reconciliation and review of the intercompany position and in particular, the charge in favour of Multilink Limited, and transactions falling under this.
- Extensive correspondence with a number of creditors who held specific concerns over the downfall of the Company, and transactions entered into prior to the Liquidation
- Addressing queries in respect of the Company's overseas investments and the inclusion of the these in the sale to AKEI.
- Securing release of funds from National Westminster Bank plc that had been held subject to a security bond on an overseas account.

The Joint Liquidators intend to seek creditors' approval to fees in addition to that previously estimated and the relevant creditors will be invited to consider the Joint Liquidators' proposal in this regard under separate cover.

#### **Disbursements**

The disbursements that have been incurred and not yet paid during the period are detailed in the attached appendices. Also included in the attached appendices is a comparison of the expenses likely to be incurred in the Liquidation as a whole with the original expenses estimate, together with reasons where any expenses are likely to exceed that estimate.

No category 1 disbursements have been incurred or paid for in the period 3 November 2019 to 2 November 2020. Further details are shown in the appendices and represent the reimbursement or payments made in relation to the assignment.

The category 2 disbursements have been incurred in the period 3 November 2019 to 2 November 2020 total £186.75. These may include an element of overhead charges in accordance with the decision approved by creditors on 3 November 2015. The basis of calculation of this category of disbursement was disclosed to creditors prior to the decision being made and is also detailed at in the appendices.

Information about this insolvency process may be found on the R3 website at <a href="http://www.creditorinsolvencyguide.co.uk/">http://www.creditorinsolvencyguide.co.uk/</a>. #### **Current Charge-out Rates for the firm**

#### Time charging policy

Charge-out rates are normally reviewed annually when rates are adjusted to reflect such matters as inflation; increases in direct wage costs; and changes to indirect costs such as Professional Indemnity Insurance. It is the firm's policy for the cashier's time spent on an assignment to be charged to the case. However, secretarial and office admin support time is charged only in respect of identifiable blocks of time devoted to the case where we consider it to be viable to do so. All time is recorded in 6 minute units.

Staff	Charge out rates
	£
Insolvency Practitioner/Partners	390-495
Consultants	390-495
Directors	360-390
Associate Directors	330-360
Managers	300-330
Assistant Manager	290-310
Senior Executive	240-275
Executive	155-190

Secretarial/Admin/Analyst	90-125

#### Direct expenses ("Category 1 Disbursements")

Category 1 disbursements as defined by SIP 9, which can be specifically identified as relating to the administration of the case, will be charged to the estate at cost, with no uplift. These include but are not limited to such items as advertising our appointment, meetings and requesting claims from creditors, storage in relation to the books and records of the company or individuals and the assignment records, online reporting facilities in relation to the uploading of documents and reports for creditors, bonding and other insurance premiums to protect the estate and its assets, and properly reimbursed expenses incurred by personnel in connection with the case.

### Indirect expenses ("Category 2 Disbursements")

It is our normal practice to also charge the following indirect disbursements ("Category 2 Disbursements as defined by SIP 9) to the case, where appropriate:

#### Circulars to creditors:

Plain/headed paper including photocopying	12p per side
Envelopes	12p each
Postage	Actual cost

#### **Room Hire**

For the convenience of creditors and to save the cost of booking an outside hotel room, meetings of creditors are occasionally held internally at our offices. Where meetings of creditors are held in one of our internal meeting rooms, a charge of £100 plus VAT may be levied to cover the cost of booking the room.

#### Trave

Mileage incurred as a result of any necessary travelling is charged to the estate at the H M Revenue & Customs approved rate, currently 45p per mile.

All of the above costs are subject to amendment by the firm at any time and if amended will be notified to creditors with the next circular sent to all creditors.

#### **Company Searches & Electronic Verification of Identity**

Included in expense and/or disbursements, Company Searches and electronic Verification of Identity include an element of shared costs. Such expenses are of an incidental nature but are generally incurred on each case. In line with the cost of the external provision of such services, a charge of £15 plus VAT is levied to cover the cost of these searches.
