HANSON AGGREGATES LIMITED

DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2022

The Directors present their report and the financial statements for the year ended 31 December 2022.

Principal activity

The Company is a group finance company. It did not have any transactions which affected the Statement of Comprehensive Income during the current or prior year and, therefore, the financial statements comprise the Balance Sheet, Statement of Changes in Equity and related notes only.

Results and dividends

The result for the year, after taxation, amounted to £nil (2021 - £nil).

Dividends in specie totalling £nil (2021 - £81,860,000) were paid during the year. The Directors do not recommend payment of a final dividend (2021 - £nil).

Going concern

The Company has limited activity outside of the Heidelberg Materials AG (formerly HeidelbergCement AG) group and therefore its on-going activity is dependent on the operational activity of the Heidelberg Materials AG group.

On the basis of their assessment of the Company's financial position and relevant enquiries, the Directors have no reason to believe that a material uncertainty exists that may cast significant doubt on the ability of the Company to continue as a going concern. The Directors have noted that the ultimate parent undertaking, Heidelberg Materials AG, has made an assessment of identifiable risks on their global business activities, including the on-going impact of the Ukraine crisis, the volatility in energy and raw materials markets, inflationary pressures, rising interest rates and the overarching impact these factors have on construction and consumer markets, and continues to operate on a going concern basis.

Thus the Directors have a reasonable expectation that the Company will be able to continue in operational existence for the foreseeable future and they continue to adopt the going concern basis of accounting in preparing the financial statements.

Directors

The Directors who served during the year and up to the date of signing the financial statements were:

N Benning-Prince
R C Dowley
E A Gretton
A Quilez Somolinos

Directors' indemnity

Heidelberg Materials AG has indemnified, by means of directors' and officers' liability insurance, one or more Directors of the Company against liability in respect of proceedings brought by third parties, subject to the conditions set out in section 234 of the Companies Act. Such qualifying third party indemnity provision was in force during the year and is in force as at the date of approving the Directors' Report.

The articles of association also provide for the Directors to be indemnified by the Company subject to the provisions of the Companies Act.

1. General information

Hanson Aggregates Limited ("the Company") is a limited company incorporated and domiciled in the United Kingdom. The address of its registered office and principal place of business is disclosed in the Company Information.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102 (FRS102), the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland and the Companies Act 2006.

The Company's financial statements are presented in Sterling, which is also the Company's functional currency, and all values are rounded to the nearest thousand pounds (£'000).

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have, unless otherwise stated, been consistently applied to all periods presented.

The Company is part of the Heidelberg Materials AG group and is included in the consolidated financial statements of Heidelberg Materials AG. The Company therefore qualifies for the reduced disclosures for subsidiaries under FRS 102 including the exemption to present a cash flow statement. The Company is also exempt under Section 33.1A of FRS 102 from disclosing related party transactions with wholly owned subsidiaries of Heidelberg Materials AG.

2.2 Going concern

The Company has limited activity outside of the Heidelberg Materials AG group and therefore its on-going activity is dependent on the operational activity of the Heidelberg Materials AG group.

On the basis of their assessment of the Company's financial position and relevant enquiries, the Directors have no reason to believe that a material uncertainty exists that may cast significant doubt on the ability of the Company to continue as a going concern. The Directors have noted that the ultimate parent undertaking, Heidelberg Materials AG, has made an assessment of identifiable risks on their global business activities, including the on-going impact of the Ukraine crisis, the volatility in energy and raw materials markets, inflationary pressures, rising interest rates and the overarching impact these factors have on construction and consumer markets, and continues to operate on a going concern basis.

Thus the Directors have a reasonable expectation that the Company will be able to continue in operational existence for the foreseeable future and they continue to adopt the going concern basis of accounting in preparing the financial statements.

2.3 Financial instruments

The Company only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities and loans to related parties.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of Comprehensive Income.

Financial assets and liabilities are offset and the net amount reported in the Balance Sheet when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.
