NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 30TH APRIL 2021

1. ACCOUNTING POLICIES

The following accounting policies have been used consistently in dealing with items which are considered material in relation to the accounts.

(a) Basis of Accounting

These accounts have been prepared under the historical cost convention whereby items are recorded at the dates when the assets were acquired, the liabilities were incurred or the capital obtained, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

(b) Going Concern

After making enquiries the director has a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason, he continues to adopt the going concern basis in preparing the accounts.

The director considers that no additional disclosures in respect of going are necessary for the accounts to give a true and fair view.

(c) <u>Cash Flow</u>

The accounts do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirement to prepare such a statement under Financial Reporting Standard One 'Cash Flow Statements'.

(d) Turnover

Turnover is the amount derived from the services falling within the company's ordinary activities after deduction of value added tax.

(e) <u>Depreciation</u>

Depreciation is calculated so as to write off the full cost of tangible fixed assets over their expected useful lives at the following rates:

Office Equipment

25% on cost

Furniture and Fixtures

10% on cost

(f) <u>Deferred Taxation</u>

Provision is made for deferred taxation, where materials, except where there is a reasonable probability that no liability will arise in the foreseeable future.

(g) Foreign Exchange

Transactions denominated in foreign currencies are translated into sterling and recorded at the rates of exchange ruling at the date of the transaction. Balances denominated in a foreign currency are translated into sterling at the exchange rates ruling on the balance sheet date.

(h) <u>Pension Contributions</u>

The company has a defined contribution pension scheme on behalf of its director and certain employees. It is funded partly by the employees and partly by the company as a fixed percentage of the employees' basic salary. The contributions are charged to the profit and loss account in the year in which they are payable.
