Assets

Cash at bank

The declaration of solvency sworn prior to the commencement of the liquidation showed cash at bank totalling £1,635,770.

The Company's bank account was closed following the Joint Liquidators' appointment and the balance totalling £1,635,770 was transferred to a liquidation estate bank account.

Liabilities

Creditors

A notice to creditors to prove their claims in the liquidation was advertised in the London Gazette on 1 October 2019 and The Times on 7 October 2019. No claims were received as a result of the notice.

The Company was liable for a share of a tax liability arising from a pre-liquidation legal dispute with HM Revenue and Customs ("HMRC") involving several parties, which has been settled in full. The Company's share was £1,543,161.

Tax

All pre-liquidation corporation tax matters were handled by the Goldman Sachs tax team, who prepared and submitted all outstanding returns up to the date of the commencement of the liquidation to HMRC. At the request of the Joint Liquidators HMRC subsequently confirmed that the Company had no outstanding corporation tax returns or liabilities, that it would not raise enquiries into any pre or post liquidation periods and that it had no objection to the Liquidators taking steps to bring the liquidation to a conclusion.

A similar assurance was sought and received from HMRC in respect of PAYE and VAT matters.
