REPORT OF THE DIRECTORS

FOR THE YEAR ENDED 31 JULY 2021

The directors present their report and the company's financial statements for the year ended 31 July 2021.

PRINCIPAL ACTIVITIES AND BUSINESS REVIEW

The Company's principal activity is to act as sole Corporate Trustee of the Dulwich Schools Common Investment Fund (DSCIF). The company is the Trustee for the purpose of holding and, subject to the directions of the respective Governing Bodies, of managing the investments and capital cash transferred to it by each of the Dulwich Schools.

Following approval of the Scheme by the Charity Commissioners on 31 July 1995 in relation to the charities, Dulwich College, Alleyn's School and James Allen's Girls' School, the three schools agreed to pool the investments and monies transferred to them at the time by the Trustees of The Dulwich Estate (previously the Estates Governors of Alleyn's College of God's Gift) into DSCIF.

The Governing Body of each school nominates one of their body to be a Director of the company. Each Director holds a share in the company for the benefit of the respective schools. DSCIF is, therefore, controlled by the respective governing bodies of the three schools who have beneficial ownership.

In October 2002 the directors of the company decided to commence the process of winding up DSCIF. They did so in the knowledge that the investment requirements of each of the Dulwich Schools might soon diverge and could not be accommodated within DSCIF and that as DSCIF had developed it had become administratively burdensome and prone to regulation. Investments in DSCIF would be returned to each of the Dulwich Schools to be held directly by them. As at 31 July 2003 the majority of investments held in DSCIF had been returned to the Dulwich Schools and there remained in DSCIF a small number of units in a property trust. The underlying investments in the trust are cash which the trustees intend to distribute to unit holders over time. The property trust continues to be in the hands of an administrator who is managing the process of liquidation. At the conclusion of this process, it is anticipated that a final payment will be made to unit holders. When this cash is received the process of winding up DSCIF will be completed. Following the winding up of DSCIF the directors of Dulwich Services Limited will consider the winding up of the company.

Group accounts are therefore not produced by the company as it is akin to a nominee.

The company did not trade during the year.
