The directors are required to prepare financial statements on the going concern basis, unless it is inappropriate to presume that the company will continue in business.

They also confirm that reasonable and prudent judgements and estimates have been made in preparing the financial statements for the year ended 31 December 2003 and that applicable accounting standards have been followed.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. Auditors

The Company has elected, in accordance with section 386 of the Companies Act UK 1985, to dispense with the obligation to appoint auditors annually.

By order of the Board

AE Smith Director 23 July 2004

Independent auditors' report to the members of Ferguson Care Limited

We have audited the financial statements which comprise the profit and loss account, the balance sheet and the related notes.

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the annual report and the financial statements in accordance with applicable United Kingdom law and accounting standards are set out in the statement of directors' responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom auditing standards issued by the Auditing Practices Board. This report, including the opinion, has been prepared for and only for the company's members as a body in accordance with Section 235 of the Companies Act 1985 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions is not disclosed.

Basis of audit opinion

We conducted our audit in accordance with auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs at 31 December 2003 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes to the financial statements for the year ended 31 December 2003

1 Principal accounting policies

Basis of accounting

The financial statements are prepared on the going concern basis, under the historical cost convention, as modified by the revaluation of certain tangible fixed assets and in accordance with the Companies Act 1985 and applicable accounting standards in the United Kingdom. A summary of the more important accounting policies, which have been consistently applied, is set out below:

Deferred taxation

Deferred taxation has been recognised as a liability or asset if transactions have occurred at the balance sheet date that give rise to an obligation to pay more taxation in future, or a right to pay less taxation in future. An asset is not recognised to the extent that the transfer of economic benefits in the future is uncertain. Deferred tax assets and liabilities recognised are not discounted.

Tangible fixed assets

The cost of fixed assets is their purchase cost, and any costs directly attributable to bringing them into working condition for their intended use. Land and buildings are revalued by professionally qualified valuers every five years, on an existing use open market value basis, and in the intervening years these valuations are updated by the directors with the assistance of independent professional advice as required.

Depreciation is calculated so as to write off the cost of tangible fixed assets, less their estimated residual values, on the following bases:

Freehold land - nil

Freehold buildings - 2% straight line

Equipment - 10% to 25% straight line

Furniture and fittings - 10% to 25% straight line

Motor vehicles - 25% straight line

Computer equipment - 25% straight line

Provision is made for any impairment in the period in which it arises. The impairment is calculated by comparing the carrying value to the recoverable amount as required by FRS 11, "Impairment of fixed assets and goodwill". The recoverable amount of land and buildings is taken to be the higher of realisable value and value in use. Value in use is determined by reference to the expected future cash flows of the care home, discounted at a risk adjusted weighted cost of capital. Realisable value is determined by professional valuers on an existing use open market value basis.

Any provisions for impairment in the carrying value of fixed assets to below historical cost are charged to the profit and loss account.

Notes to the financial statements for the year ended 31 December 2003 (continued)

1 Principal accounting policies (continued)

Debtors

Specific provisions are made against those trade debtor amounts where settlement is considered unlikely.

Stocks

Stocks are stated at the lower of cost and net realisable value.

Operating leases

Costs in respect of operating leases are charged as incurred.

Pension costs

The Company does not operate a pension scheme. Pension costs represent amounts paid to employees' private pension schemes.

Cash flow statement

The Company is a wholly owned subsidiary of Craegmoor Limited, and the cash flows of the company are included in the consolidated group cash flow statement of that company. Consequently, the company is exempt under the terms of Financial Reporting Standard No. 1 (Revised) from publishing a cash flow statement.

2 Turnover

Turnover, which excludes value added tax, consists entirely of fee income for care services provided in the year in the United Kingdom. Where fees are billed in advance they are deferred to match the period in which care is provided.

3 Related party transactions

The company has taken advantage of the exemption granted under paragraph 3 (c) of FRS 8 and not disclosed any transactions with other group companies.

4 Directors' emoluments

Directors' emoluments for the year ended 31 December 2003 were £nil (2002: £nil). M A Stratford received no emoluments in respect of his services to the Company for the year ended 31 December 2003 (2002: £nil). The emoluments of C Artis, G Blackoe and M Preston are paid by the intermediate parent company, Craegmoor Healthcare Company Limited. C Artis, G Blackoe and M Preston were also directors of a number of fellow subsidiaries during the year ended 31 December 2003 and it is not possible to make an accurate apportionment of their emoluments in respect of each of the subsidiaries. Accordingly, no emoluments have been included above for these directors.
