NOTES TO THE ABBREVIATED ACCOUNTS FOR THE PERIOD ENDED 31 DECEMBER 2003

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002).

1.2 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts. Revenue is recognised in the period in which film materials are supplied. Revenue is deferred in all cases where goods are invoiced in advance of supply.

1.3 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Land and buildings Freehold

2% on cost

Fixtures, fittings & equipment

20% straight line

Motor vehicles

25% reducing balance

The carrying value of tangible fixed assets are reviewed for impairment in periods if events or changes in circumstances indicate that the carrying value not not be recoverable.

1.4 Investments

Fixed asset investments are stated at cost less provision for diminution in value.

1.5 Foreign currency translation

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to profit and loss account.

1.6 Group accounts

The financial statements present information about the company as an individual undertaking and not about its group. The company and its subsidiary undertaking comprise a small-sized group. The company has therefore taken advantage of the exemptions provided by section 248 of the Companies Act 1985 not to prepare group accounts.
