Directors' report

The directors present their report and the audited financial statements for the year ended 3 January 2011

The accounting reference date has been changed to 3 January. The current period therefore relates to a 368 day period 1 January 2010 to 3 January 2011. This change results from the acquisition of the company by I T Xchange Limited, effective 4 January 2011.

The Company has taken advantage of the small company exemptions to not prepare a business review.

Principal activity

The Company holds the title to the freehold of Magnum House, the headquarters for the parent company, Hamilton Services Group Ltd and its subsidiaries. The company is non-trading.

Results

The Company has not traded during the year, with the only transaction being the recharge of depreciation on Magnum House to a group company. The results are set out in the profit and loss account on page 6.

Directors

The directors, who held office during the year, and up to the date of approval of this report, were as follows:

M O'Connor

J Anton (Resigned 4th January 2011)

P J Surry (Resigned 4th January 2011)

J McFarlane (Appointed 4th January 2011)

L McFarlane (Appointed 4th January 2011)

G K Sutherland (Appointed 4th January 2011)

J Unsworth (Appointed 4th January 2011)

Directors' qualifying third party indemnity provision

The Company has granted an indemnity to one or more of its directors against liability in respect of proceedings brought by third parties. Such qualifying third party indemnity provision remains in force as at the date of approving the directors' report.

Going Concern

The directors have considered the current uncertain economic environment but note that the company has both positive net assets and net current assets as set out in the balance sheet on page 7. The directors have given consideration to the value of the freehold property and the recoverability of the intercompany debtor balance, and do not see a need to provide against balance sheet values.

The directors have a reasonable expectation that the Company will continue in operational existence for the foreseeable future. Accordingly they continue to adopt the going concern basis in preparing the financial statements. Following the acquisition on 4th January 2011, support has been made available to the Hamilton group of companies, including Hire IT, for a period of at least 12 months from the date of approval of these financial statements.

POST BALANCE SHEET EVENT

The company was acquired by I T Xchange Limited on 4th January 2011.

Statement of Directors responsibilities in respect of the directors' report and the financial Statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice)

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
