**NOTES TO THE FINANCIAL STATEMENTS**  
for the 52 weeks ended 18 August 2012

**1 ACCOUNTING POLICIES**

The financial statements are prepared under the historical cost convention and in accordance with applicable accounting standards. In accordance with FRS 18 the directors have continued to review the accounting policies. There have been no changes to accounting policies during the period.

The company is within the Punch B securitisation. The statutory accounts for the main trading company within that securitisation, Punch Partnerships (PML) Limited, contain a material uncertainty that casts significant doubt on that company's ability to continue as a going concern.

The material uncertainty is due to the risk that a consensual restructuring of the securitisation arrangements is not achieved and a covenant breach may occur which could lead to circumstances in which lenders to that securitisation may be able to request early repayment of all outstanding borrowings. Were this to occur, companies within that securitisation may be unable to realise their assets and discharge their liabilities.

**2. PROFIT AND LOSS ACCOUNT**

The Company was dormant (within the meaning of section 480 of the Companies Act 2006) throughout the period ended 18 August 2012.
