**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 29 FEBRUARY 2020**

**1. STATUTORY INFORMATION**

Cleopatra Consultants Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

**2. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

**Turnover**

Turnover represents the value of services supplied, excluding value added tax.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Office Equipment	- 15% on cost
Computer equipment	- 15% on cost

**Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Statement of Income and Retained Earnings, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the statement of financial position date.

**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

**Going concern basis of accounting**

At 29 February 2020, the company's liabilities exceeded its assets. However, as the main creditors are the directors and they have indicated that they will continue to support the company financially for at least twelve months from the date approving these financial statements, the directors considered it appropriate that the financial statements should be prepared on the going concern basis of accounting.

**Covid-19**

Due to the current unprecedented market and economic conditions in the United Kingdom and internationally, the expected impact of the COVID-19 pandemic on the company's operations cannot be reasonably estimated.

The directors currently consider that the pandemic will have a limited impact on the business as the company delivers much of its services remotely and is able to carry out most of its functions supporting its customers and the directors have indicated that they will continue to support the company financially for at least twelve months from the date approving these financial statements.
