Directors

Patricia Harman (Chairman and Secretary)

Roger Booker (Treasurer)

Principle Activity

The principle activity of the company is the management of the block of flats offices and shops at Inca House, 152/154, Shepherds Bush Road, London W6 7PB.

Directors Report

The directors of the company have taken direct responsibility for the management of the block from 25/6/03.

Under the terms of the residential leases under which the company operates, the company is obliged to decorate the outside of the block at least every 4 years and to decorate and maintain the inside of the block every 5 years.

After several years where expenditure on block improvement and repairs has not allowed reserves to build up, significantly reduced outgoings allowed reserves to build up to the level at 24/06/2014 of £14,832.

In the current year, the company's major expenditure was on the renewal of the block roof and other smaller repairs. The roof renewal was completed after year end and the expense has been accrued in these accounts.

It is expected that forecast expenditure in 2015 will allow reserves to remain at the current level in order that at the responsibilities laid down in the residential lease agreements for internal decorations and external inspections/repairs can be carried out.
