Statement of directors' responsibilities in respect of the strategic report, the directors' report and the financial statements

The directors are responsible for preparing the strategic report, the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The company was dormant during the current year.

For the year ended 31 March 2014 the company was entitled to exemption from audit under section 480 of the Companies Act 2006 relating to dormant companies. The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476.

The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

The financial statements of UU Group Limited, registered number 2594435, were approved by the board of directors and authorised for issue on 21 August 2014. They were signed on its behalf by:

Director

Notes to the financial statements

At 31 March 2014

1. Accounting policies

Basis of accounting

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards in the United Kingdom.

The company has nil net assets, and on this basis, the directors believe it is appropriate to prepare the accounts on a going concern basis.

Cash flow statement

At 31 March 2014, the company was a wholly owned subsidiary of United Utilities PLC and was included in the consolidated financial statements of United Utilities Group PLC, which are publicly available and which include a consolidated cash flow statement. Consequently the company is exempt under the terms of Financial Reporting Standard 1 (revised) 'Cash flow statements' from publishing a cash flow statement.

Exemption from preparing group financial statements

The financial statements contain information about UU Group Limited as an individual company and do not contain consolidated financial information as a parent of a group. At 31 March 2014, the company was exempt under section 400 of the Companies Act 2006 from the requirement to prepare consolidated financial statements as it and its subsidiary undertaking were included by full consolidation in the financial statements of its ultimate parent United Utilities Group PLC, a company incorporated in Great Britain and registered in England and Wales.

Related party transactions

As the company is a wholly owned subsidiary of the group headed by United Utilities Group PLC, the company has taken advantage of the exemption contained in Financial Reporting Standard 8 'Related party transactions' not to disclose transactions or balances with other wholly owned subsidiaries which form part of the group.

During the year, no transactions were entered into with related parties other than with other group companies in the normal course of business.

Taxation

Current taxation, being UK corporation tax, is based on the taxable loss for the year and is provided at amounts expected to be paid or recovered using tax rates and laws that have been enacted or substantively enacted at the balance sheet date.

Taxable profit or loss differs from the net profit or loss as reported in the profit and loss account because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible.

2. Operating loss

There have been no employees of the company during the year, other than the directors (2013: none, other than the directors). The directors' emoluments are borne by other group companies and are not recharged (2013: same). This is because a fair apportionment is not possible as services are provided to multiple entities.

The company was not subject to an audit in the current year. The auditor's remuneration in respect of the statutory audit of the company in the prior year was borne by another group undertaking. The amount attributable but not recharged to UU Group Limited was nil (2013: £100) and there were no non-audit services provided by the auditor to the company in either year.
