A company which qualifies as being dormant under the Companies Acts may, if it so chooses, resolve not to appoint auditors. This form may be used for filing purposes by a dormant company which has taken advantage of the provisions both to submit modified accounts to the Registrar and not to appoint auditors. The above balance sheet contains all the headings which are required under the formats included in the Companies Act 1985 for filing purposes. For the majority of companies using this form, many of these headings can be deleted. The use of the form in no way affects the officers' statutory duty in relation to the financial statements.
