## **Notes to the Abridged Financial Statements for the Year Ended 31 March 2018**

### **1 General information**

The company is a private company limited by share capital incorporated in England and Wales.

The address of its registered office is:

27 High Street  
Ruddington  
Nottingham  
NG11 6DW  
England

These financial statements were authorised for issue by the Board on 20 December 2018.

### **2 Accounting policies**

#### **Summary of significant accounting policies and key accounting estimates**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### **Basis of preparation of financial statements**

These financial statements were prepared under the historical cost convention in accordance with applicable United Kingdom accounting standards, including the Financial Reporting Standard 102 ('FRS 102') Section 1A small entities, and with the Companies Act 2006.

#### **Trade debtors**

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the receivables.

#### **Share capital**

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

This document was delivered using electronic communications and authenticated in accordance with the registrar's rules relating to electronic form, authentication and manner of delivery under section 1072 of the Companies Act 2006.
