The governors, who are directors for Companies Act purposes and trustees for Charities Act purposes, present their report and accounts for the year ended 31 December 2021.

OBJECTIVES, ACTIVITIES AND THE PUBLIC BENEFIT

The company's principal activity is the advancement of Christian unity through the activities of the Anglican Centre in Rome.

The company was created in 1990 to manage the activities of the Centre for the Archbishop of Canterbury and for the Anglican Communion and to raise the funds required to support these activities.

Rome is the headquarters of the Catholic Church. We have as the Anglican Communion, a common history with our Roman Catholic brothers and sisters up to the sixteenth century. Then for many centuries relationships between Anglicans and Catholics were not good – and from time to time very bad indeed with persecutions and martyrdoms on both sides. However, over the last century things have changed. Hundred years ago, a small group of Anglicans and Catholics in Europe started to talk together in the Belgian town of Malines.

In 1966, the Most Reverend Michael Ramsey, Lord Archbishop of Canterbury visited His Holiness Paul VI and following this historic visit, the Anglican Centre in Rome was established through the encouragement of Donna Orietta and Don Pogson Doria Pamphilj, Ecumenical pioneers and the Founding benefactors of this unique place of encounter.

The mission of the Anglican Centre is to strengthen and encourage ecumenical relations, especially those between the Roman Catholic Church and the Anglican Communion.

Firstly, the primary vision of the Anglican Centre in Rome is to build bridges and instill a good spirit of collaboration between the institutions of the Anglican Communion and the Roman Catholic Church. It serves as a place of hospitality and its vocation is to show signs of visible collaboration by concrete pronouncements and actions in a troubled, divided, confused and desperate world where there is a thirst for Communion, hope and respect.

Secondly, it has the responsibility to organize Seminars and Forums that enable people to know more about the Ecumenical journey established after Vatican 2 and to engage in conversations that can offer new insights, thoughts and rich ecumenical initiatives. This enables the two Churches to contribute more effectively to the great work of reconciliation and the creation of unity amongst humanity.

The Centre provides:

- theological resources to support ecumenical discussions, co-operation and prayer;
- learning opportunities for those who are visiting Rome;
- information on the progress of inter-church relations;
- liaison with the Vatican dicasteries its Councils and Committees; and
- publications including the newsletter "Centro".

When planning the charity's activities, the Trustees have regard to the Charity Commissioners' guidance on public benefit and in particular to the specific guidance on charities for the advancement of religion.

During the year the Centre employed a Director and a full time Centre Manager.

The Centre occupies an apartment within the historic Palazzo Doria Pamphilj, the largest private palace in central Rome. The Centre comprises:

- the largest library on Anglicanism in mainland Europe: more than 12,000 volumes, in addition to journals, periodicals and church newspapers
- a dual-purpose Reading and Lecture Room;
- a large Reception Room for official use;
- office facilities;
- a Chapel; and
- private accommodation for the Director and two guest flats.

In its work in Rome, the Anglican Centre is a living witness to the commitment of the Anglican Communion to the search for unity with the Roman Catholic Church.

Each year the intention is for the Anglican Centre in Rome to run courses for clergy and laity from all over the world and courses for theological students. However, the pandemic has curtailed some of the Centre's activities in this last year

The overall governance of the charity and much of the fund-raising activity of the Centre is handled by volunteers.

ACTIVITIES AND OPERATIONS

During 2019 there was significant restructuring and personnel change to ensure that the Centre is well positioned for its continuing and developing ministry. The Most Revd Ian Ernest, then Bishop of Mauritius and a former Primate of the Church of the Province of the Indian Ocean, was appointed to the role. Archbishop Ernest and his wife relocated to Rome at the end of September, and he took up the post of Director from the beginning of October 2019. On 13 November a service commissioning was held at which the Archbishop of Canterbury formally installed Archbishop Ernest as Director of the Centre and as his personal representative to the Holy See. A private audience with His Holiness Pope Francis was also held that day.

Archbishop Ernest undertook a comprehensive and energetic induction programme to maintain and develop contacts within the Holy See, in maintaining the Anglican Centre as a place of prayer, worship and hospitality and in developing the ministry of the Centre in Rome.

Starting in 2020 with the Covid pandemic, we found ourselves in an unusual situation and we had to adapt. Fortunately, with the use of communication technologies, we have been able to maintain our presence throughout the pandemic as a place of dialogue, encounter, prayer and learning. Our weekly Tuesday Eucharist is now being viewed on Facebook and we have more than five hundred followers.

At the beginning of the lockdown, we were quite discouraged as we thought that it would be difficult to organize courses - which form part of our vocation as an Ecumenical Institution. However, with the help of the Trustees, we set a plan for the realization of online courses which continued into 2021. They have covered an array of subjects from

Ecumenical dialogue, Inter Church Marriage, St John Henry Newman as an ecumenical bridge and, latterly, on the Ecological crisis, by engaging a conversation between Faith and Science.

The Anglican Centre has an important ambassadorial role which can be used to raise awareness on important issues. Even before the various lockdowns, the director was able to visit some dignitaries at the Vatican as featured on the ACR Website. In 2021, this led to regular and expanded meetings with the leadership of some Dicasteries of the Vatican and Academic Institutions in Rome. Moreover, ties of friendship with other Christian denominations have been developed, contacts have been made and these relationships are being nurtured. These relationships enable us to work together on some of the most pressing issues of our time.

SELECTED 2021 ACTIVITIES

• Guest preachers at our Tuesday Eucharists.

We at the ACR, had the joy of welcoming Cardinals, Anglican and Episcopal Bishops and Priests, and Methodists and other clergy to be our guest preachers.

Promotion for Spiritual Ecumenism

It is now established that we have an ecumenical prayer group which meets every Thursday, and it is gradually initiating a form of Spiritual Ecumenism. This is being supported by the Pontifical Council for Promoting Christian Unity.

• Collaboration with the Diplomatic Corps.

The ACR through its director has been engaged in conversations and meetings with different Embassies to collaborate on issues of common interest.

• Relationships with Academic Institutions in Rome.

To give more sustenance to our educational vocation, contacts have been established with the Angelicum University, the Lateran University, the Gregorian University, and other long standing academic centres of learning.

- In the context of the 55th anniversary of the ACR, we had the unveiling of a memorial plaque on the 3rd of October 2021 to honour the memory of Donna Orietta and Don Frank Pogson Doria Pamphilj, founding benefactors of the Anglican Centre.
- The Synod of Bishops

During his visit to Rome at the beginning of October 2021, the Archbishop of Canterbury together with members of his delegation and the director met with His Eminence Cardinal Mario Grech, and Sister Nathalie Becquart, respectively the General Secretary and the Under Secretary of the Synod of Bishops. It allowed us to know more of the process preceding the synodal journey and Archbishop Justin then, eloquently shared the Anglican experience which ignited a great interest on the part of the Roman Catholic delegation. As the Personal Representative of the Archbishop of Canterbury, the Holy See invited the director to attend the inaugural ceremony and to participate in a discussion group.

- Visits of the Armenian Catholicos and the Patriarch of Constantinople to the ACR.
 On the 6th of October, the ACR had for the first time, in its premises the presence of these eminent Christian leaders. These visits paved the way for further encounters with our Orthodox brothers here in Rome.
- Week of Prayer for Christian Unity.

It is now customary to organize a Vigil of Prayer on the 17th of January jointly with the Centro Pro Unione and the Methodist Ecumenical Office in Rome. And we coordinate with Churches together in Rome for the Unity Service on the 25th of January.

FINANCIAL REVIEW

Reserves policy

It is the company's objective to eliminate the deficit by operating at a surplus and to raise funds to increase the Endowment Fund in order to secure the future of the Centre in the longer term. The company is prohibited by its Memorandum and Articles of Association from paying dividends.

Results for the year

During the year ended 31 December 2021 the net surplus amounted to £110,883. Funds raised during the year to meet operating expenses totalled £398,877, of which £169,682 was raised through a special appeal.

Fund surplus

The accumulated surplus on unrestricted funds amounts to £133,017 and an equivalent amount has been transferred to Endowment funds.

Reserves

The Centre had an Endowment Fund amounting to £226,904 at the beginning of the year and this has been increased by the surplus for the year of £133,017, leaving £359,921 to generate income and, if necessary, to meet existing or future operating deficits.

Principal funding sources

The principal funding sources are the archbishops and bishops of the Anglican Communion, together with individuals, trusts and parishes. In 2021 donations of £74,397 were received in the United Kingdom, £50,634 was received from America, £8,772 from Hong Kong and the Far East, £3,036 in mainland Europe, £10,000 from the Anglican Consultative Council, £30,000 from the Archbishop of Canterbury's Anglican Communion Fund.

2021 Special Appeal

Due to financial concerns developed during the Covid pandemic A special appeal was conducted raising £169,682. These funds will add to the reserves and attempts will be made to limit spending for regular operations as such an appeal will not be sustainable for ongoing planning.

Expenditure

The expenditure incurred relates principally to the costs of leasing and maintaining the Centre together with the costs of the staff based at the Centre, being the Director and support staff. From September 2019 reduced staffing resulted in reduced operational expenditure which continued into 2021. Minor staffing reductions may occur in 2022.

Investment policy.

Under the memorandum and articles, the company has the power to make any investment which the directors think fit. It is the company's policy to hold approximately 50% of the value of the Endowment Fund in equity investments managed in accordance with the

ethical policies recommended by the Church of England. In addition, approximately 10% is invested in a UK Property Fund for Charities, although these proportions have not been maintained in the year as it was necessary to realise investments with a value of £150,000 to fund the operation of the Centre and the deficit it incurred in 2018 and 2020. During the year worldwide equity markets recovered from the previous year and the Centre benefitted from an unrealised gain of £19,050, compared with the previous year of £5,787, on its investments.

FUTURE DEVELOPMENTS

The Centre is the base for the Representative of the Archbishop of Canterbury to the Holy See who is also the Director of the Centre and as such the Trustees continue to seek to raise additional funds to enable the Centre to enhance the support provided to the Director in both these roles. The director will travel to Southeast Asia and to America in 2022 to raise awareness, and support.

The Centre is increasingly a place of meeting not only for Anglicans and Roman Catholics, but also for Anglicans of different backgrounds. It aims to help Anglicans understand one another and their common heritage as a necessary aspect of engaging with other Christian traditions and confessions. It is becoming a crucial resource for strengthening our own Anglican identity as well as interpreting it to others and seeks to be somewhere where all members of the diverse Anglican family can feel at home.

A few projects are already in the pipeline such as "A Vision Explored" which aims at welcoming Anglican seminarians for a week of learning and pilgrimage in Rome. We are now investigating in the possibility of inviting deacons, priests, bishops and interested laypeople of the Anglican Communion to register for a Diploma Course or a sabbatical time of Study at the Angelicum, St Thomas Aquinas University in Rome. A young Pakistani woman from the Church of Pakistan, with logistical support from the Centre will enroll at the Angelicum Pontifical Institute to follow a one-year Diploma Course in Ecumenical Studies for Academic year 2022-23.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Anglican Centre in Rome is a company limited by guarantee, registered in England (Registration No. 2604444). It is also registered as a charity (Charity No. 1003666). The governing document is the Memorandum and Articles of Association of the company which have been revised and approved at an Extraordinary General Meeting held on 30 April 2020.

The Anglican Centre is governed by a Board of Governors whose president is the Archbishop of Canterbury and whose chairman is The Rt Revd Michael Burrows.

The following persons shall, either by virtue of their role or nomination, be Trustees:

The Trustees may appoint up to four further Trustees with consideration given to the need for a broad range of skills within the Trustee body, including but not limited to communications, finance, fundraising, risk management and strategic planning, and to ensure that relevant stakeholder bodies are appropriately represented among the Trustees. The Trustees have exercised this power and have appointed four further Trustees.

Induction and training of trustees

The policies and procedures of the company are explained to new governors by the chairman and the company secretary.

Organisational structure and decision-making process

The Governors, who meet at least twice a year, administer the charity. The day to day operations of the Centre are managed by the Director of the Centre under the overall supervision of the chairman, the treasurer and the company secretary. The Director of the Centre is appointed by the governors in consultation with the Archbishop of Canterbury.

Related parties and wider networks

The activities of the Centre are supported by a number of Friends' organisations in different parts of the Anglican Communion, principally in the UK, the USA (The American Friends of the Anglican Centre in Rome), Australia and New Zealand.

Risk Management

The major risks to which the company is exposed have been reviewed and procedures have been established to mitigate those risks. The main risk is considered to be the risk of failure to raise adequate funds to cover the annual running costs of the Centre — the company has a Development Committee in the UK responsible for leading the UK fundraising activity. This committee is supported by a Development Officer with fundraising experience. In other countries, the Friends organisations are actively involved in raising funds on an annual basis at levels agreed with the Governors. The Governors are also seeking to raise funds for the Endowment Fund so that the income generated will reduce the requirement for annual fundraising in future years.

REFERENCE AND ADMINISTRATION DETAILS

Legal and administrative information set out on page 1 forms part of this report.

The current directors, who are designated Governors, are listed on page 1. All the Governors served throughout the year, except for Mr Wayne Wentz who was appointed November 18, 2021. The company secretary, David White, resigned on 1 February 2021 with Revd Martin Macdonald acting as secretary until Revd Dr William Adam was appointed on 29 April 2021.

DIRECTORS' AND TRUSTEES' REPORT

The accounts comply with current statutory requirements, the Memorandum and Articles of Association of the company and the Charities Statement of Recommended Practice (FRS 102).

By order of the board

Revd Dr William Adam Secretary 28 September 2021

STATEMENT OF TRUSTEES' RESPONSIBILITIES WITH REGARD TO THE ACCOUNTS

The trustees (who are also the directors for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. REPORT OF THE INDEPENDENT EXAMINER

to the Trustees and Directors of the Anglican Centre in Rome (a company limited by guarantee)

I report on the accounts of the charitable company for the year ended 31 December 2021, which are set out on pages 11 to 20.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act).

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under Section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's statement

In connection with my examination, no matter came to my attention:

- which gives me reasonable cause to believe that in any material respect the requirements:
 - (a) to keep accounting records in accordance with Section 386 of the Companies Act 2006; and
 - (b) to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities
 - have not been met; or

to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE ACCOUNTS

at 31 December 2021

1. ACCOUNTING POLICIES

Limited liability

The company is limited by guarantee and does not have a share capital. Each member of this company undertakes to contribute to the assets of the company in the event of it being wound up, such amount as may be required but not exceeding £10.

Basis of preparation

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Charities Act 2011.

The company constitutes a public benefit entity as defined by FRS 102.

The directors consider that there are no material uncertainties about the company's ability to continue as a going concern.

The accounts present the consolidated balance sheet, statement of financial activities and income and expenditure account comprising the activities of The Anglican Centre in Rome, an English company limited by guarantee registered as a charity, and its subsidiary undertaking, an Italian unrecognised religious association also called The Anglican Centre in Rome which undertakes the activities of the charity in Italy.

Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably. Donations are recognised when the charity has been notified in writing of both the amount and settlement date.

Legacies are recognised on a case by case basis following the granting of probate when the administrator/executor for the estate has communicated in writing both the amount and settlement date.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Costs of generating voluntary income

These expenses are reflected as an expense in the Statement of Financial Activities and an appropriate proportion is treated as a reduction of funds raised transferred to the Endowment Fund.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Expenditure on charitable activities comprises direct expenses incurred on the defined charitable purposes of the charity and includes staff costs attributable to the activity.

Governance costs comprise of expenditure on compliance with and advice on constitutional and statutory matters.

As all expenditure can be attributed to specific categories no apportionment between headings has been necessary. Irrecoverable VAT is included in the items of expenditure to which it relates.

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost less estimated residual value of each asset evenly over its expected useful life, or over the lease term, whichever is the shorter. Foreign currencies

Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the balance sheet date. All differences are taken to the income and expenditure account.
